Study Update

- APA, WestEd, and contractors have continued to refine our databases
- The study team has worked with the co-chairs, staff, and ADE personnel to plan how to best engage districts and schools
- Study team staff will present on several areas at the next meeting, including:
 - 3.0.C.1 Evaluation of Economically Disadvantaged Student Proxy
 - 3.0.C.1.a Community Eligibility Provision
 - 3.0.C.1.b Estimating Impact of CEP on State Aid Formulas
 - 3.0.C.1.c Exploring Alternative Proxies for Identify Students
 - 3.0.C.11 Impact of Waivers

3

Process For Today

- The presentations on Nurses, Administrators and Educators, and Mental Health Services are national scans
 - They provide context on what is happening in other states, with a focus on the comparison states, and best practice information from practitioners and research
- The information will be combined with data analysis, stakeholder engagement to provide final recommendations

4

Process For Today

- The case study list of schools presented later today will be used for the detailed data collection described at the last meeting
 - Additionally, based on feedback from that meeting, descriptive data analysis will be undertaken on additional high performing schools
- The study team will be watching remotely today and looks forward to answering any questions you may have on the different components presented
