or modification of a request by the Chief Fiscal Officer of the State and
after meeting the requirements of subsection (iii) herein, the Department of
Finance and Administration shall establish the transfer of appropriation on
the books of the Department of Finance and Administration and the State
Auditor, in compliance with the applicable classifications of appropriations
as enumerated in Arkansas Code 19-4-521 through 19-4-525.

This is usually accomplished by delineating such maximums in the

Committee as provided by this section. The requirement of approval by the
Legislative Council or Joint Budget Committee is not a severable part of this
section. If the requirement or approval by the Legislative Council or Joint
