PROVISION. After receiving approval from the Chief Fiscal Officer of the
State and Arkansas Legislative Council or Joint Budget Committee, the Agency

Court Automation Appropriation of the Administrative Office of the Courts in
this Act to any other line item authorized in Court Automation Appropriation.
Determining the maximum number of employees and the maximum amount of
appropriation and general revenue funding for a state agency each fiscal year
is the prerogative of the General Assembly. This is usually accomplished by
delineating such maximums in the appropriation act(s) for a state agency and
the general revenue allocations authorized for each fund and fund account by
amendment to the Revenue Stabilization law. Further, the General Assembly
has determined that the Administrative Office of the Courts may operate more
efficiently if some flexibility is provided to the Administrative Office of
the Courts authorizing broad powers under this Section. Therefore, it is both
necessary and appropriate that the General Assembly maintain oversight by
requiring prior approval of the Legislative Council or Joint Budget Committee
as provided by this section. The requirement of approval by the Legislative
Council or Joint Budget Committee is not a severable part of this section.
If the requirement of approval by the Legislative Council or Joint Budget
Committee is ruled unconstitutional by a court of competent jurisdiction,
this entire section is void.

The provisions of this section shall be in effect only from July 1, 2018
through June 30, 2020.

SECTION 42. COMPLIANCE WITH OTHER LAWS. Disbursement of funds
authorized by this act shall be limited to the appropriation for such agency
and funds made available by law for the support of such appropriations; and

Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary
