V. Rules

A. T-DROP Benefit Generally

1. The participant's T-DROP benefit will be the monthly straight life annuity benefit to which the member would have been entitled had the member retired under A.C.A. § 24-7-701.

2. The participant's T-DROP benefit may be reduced as set forth in these Rules and under A.C.A. § 24-7-1301 et seq.

3. The T-DROP deposit shall not include the additional benefit, also known as the "monthly benefit stipend" provided in A.C.A. § 24-7-713.
B. Plan deposits shall be a percentage of the T-DROP benefit, as follows:

1. One hundred percent (100%) reduced by the product of one percent (1.0%) multiplied by the number of years of contributory and non-contributory service credit, including reciprocal service, and fractions thereof. If a plan participant has at least thirty (30) years of credited service in ATRS, including combined service with a reciprocal system, the plan deposit is the participant's plan benefit as calculated at the entry into T-DROP, and then reduced by one percent (1%) for each year of credited service, including fractions of a year.

2. For a participant whose effective date in the T-DROP is before September 1, 2003, and who has more than thirty (30) years of service, the years of service above thirty (30) years shall be reduced by one-half of one percent (0.5%) for contributory years and three-tenths of one percent (0.3%) for non-contributory years. For early participants, the plan deposit is the early participant's plan benefit as calculated at the entry into T-DROP, and then reduced by one percent (1%) for each year of credited service, including fractions of a year, and further reduced by at least an additional one-half percent (.5%), but no more than one percent (1%), of the initially reduced plan deposit, for each month of credited service under thirty (30) years.

3. Beginning July 1, 2001, when a participant whose effective date in the T-DROP is before September 1, 2003, reaches normal retirement age, the plan deposits shall be 100% with no reduction.

4. For a participant whose effective date in the T-DROP is September 1, 2003, or after and who has more than thirty (30) years of service, the plan deposits for the years of service above thirty (30) years shall be reduced based upon the reduction established at the time the participant entered T-DROP.

5. For a participant whose effective date in the T-DROP is September 1, 2003, or after, and who reaches normal retirement age but does not retire, the plan deposits shall continue as reduced based upon the reduction established at the time the participant entered T-DROP.

C. A participant shall elect an annuity option provided in A.C.A. § 24-7-706 at the time the participant separates from service and is granted a monthly retirement benefit or files for retirement upon reaching normal retirement age.

D. T-DROP Participation Limits

1. A member's participation in T-DROP shall not exceed ten (10) consecutive calendar years for accruing plan deposits; however, the Board is authorized under A.C.A. § 24-7-1307 to provide for a separate
MARK UP

deposit, called the Post 10-year T-DROP interest.

2. If a participant continues covered employment after completing ten (10) years in T-DROP, the T-DROP account will be credited with Post 10-year T-DROP interest as set by the Board. Benefits payable at retirement will be based on the account balance the month before the participant begins drawing retirement benefits.

E. The annuity upon which plan deposits are calculated shall receive the cost-of-living increase provided for in A.C.A. § 24-7-713 or § 24-7-727. The annuity plus the cost-of-living increase is reduced or adjusted under this Rule.

F. If a participant elects to cash out or annuitize their T-DROP account balance upon election to retire, once the T-DROP account is distributed to the member, the participant shall not be allowed to reenroll in T-DROP, unless the member cancels their election under A.C.A. § 24-7-1302.

G. As soon as possible after the end of each fiscal year, ATRS shall furnish the participant an annual statement of the participant’s T-DROP account. The statement of T-DROP deposits and interest will not be final until the annual accounting has been reconciled for part-time T-DROP participants.

H. If a participant earns service credit of one hundred sixty (160) days or greater within a fiscal year and the participant does not terminate employment, retire, or die during the fiscal year, or the ATRS employer does not terminate the employer/employee relationship, then ATRS will allow crediting of twelve (12) monthly T-DROP deposits per fiscal year.

I. Part time employment while participating in the T-DROP plan:

1. In the first or fourth quarter of the fiscal year, five (5) or more days of service credit shall be required to credit the participant’s account with three (3) monthly deposits for that particular quarter. If a participant receives less than five (5) days of service credit in either the first or fourth quarter of the fiscal year, then no T-DROP deposits shall be made in the three months for that particular quarter.

2. In the second or third quarters of the fiscal year, fifteen (15) or more days of service credit shall be required to credit the participant’s account with three (3) monthly deposits for that particular quarter. If a participant receives less than fifteen (15) days of service credit in either the second or third quarter of the fiscal year, then no T-DROP deposits shall be made in the three months for that particular quarter.

A. T-DROP monthly deposits automatically cease when:
MARK UP

1. The participant separates from service and is granted a monthly retirement benefit from ATRS or a reciprocal plan; or

2. The participant reaches normal retirement age and retires without separation from service, or

3. The participant separates from covered employment but does not apply for monthly retirement benefits; or

4. The participant dies.

B. Any lump-sum distribution of a participant's T-DROP account balance is eligible to be rolled over into the member's qualifying retirement plan. The ATRS shall only roll over the T-DROP lump sum balance into one qualifying plan.

C. A participant may direct that all or a part of their lump-sum distribution as set forth in Ark. Code Ann. § 24-7-1308 continue to be held by ATRS in a T-DROP Cash Balance Account described in this rule.

D. T-DROP is intended to operate in accordance with Section 415 and other applicable sections of the IRS Code. Any provision of the T-DROP that conflicts with an applicable provision of the IRS Code is invalid.

E. If a participant separates from covered employment but does not apply for monthly retirement benefits, the T-DROP monthly deposit shall cease the month of separation from service. No deposits will be credited to the participant's account for the duration of the separation. Upon returning to covered employment, the monthly deposits will resume. Upon application for retirement, benefits will be paid according to the account balance at the time of separation from service or the month prior to the effective date of benefits after reaching normal retirement age. Provided however, if a member has not separated from covered employment and remains on an ATRS employer payroll without obtaining sufficient service credit for monthly deposits, the member shall remain eligible for annual interest.

F. Effect of Uniformed Service on T-DROP

1. If a participant leaves ATRS covered employment to serve, on a voluntary or involuntary basis, in the uniformed services of the United States and returns to ATRS covered employment, the member shall be treated as not having incurred a break in service with the ATRS employer. The ATRS employer shall certify to the ATRS that reemployment was in accordance with the requirements set forth in Section 4312 of P.L.103-353, the Uniformed Services Employment and Reemployment Act (USERA) of 1994.

2. Under this subsection, uniformed services of the United States are limited to the armed forces, the Army, and the Air National Guard when
engaged in active duty for training, inactive duty training, full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or emergency.

VII. Death of a T-DROP Participant Prior to Retirement

A. In the event a participant dies while still in T-DROP, the benefits payable from the T-DROP account shall be determined according to A.C.A. § 24-7-710.

B. Unless otherwise directed to an alternative residual beneficiary or beneficiaries by the member, a T-DROP participant's surviving spouse may choose to receive the T-DROP benefit in a lump sum. If the spouse elects a lump-sum payment of the T-DROP balance, then the survivor annuities payable under A.C.A. § 24-7-710 shall be calculated on the service credit and salary earned by the member prior to participating in T-DROP. If an alternative residual beneficiary or beneficiaries are chosen, then the residue is paid as a lump sum, and no monthly annuity is paid.

C. For the purposes of A.C.A. § 24-7-709 related to disposition of residue, any amount received from the T-DROP account, either in the form of a lump sum or annuity payments, shall be considered to be annuity payments received by the member or his or her designated beneficiary and shall act to reduce or eliminate the disposition of residue payable under A.C.A. § 24-7-1310.

VIII. DROP Participation Under Reciprocal Systems

A. If a reciprocal system offers a DROP for its members, then service credit in ATRS, a reciprocal system, or the combination of service credit in the systems may be counted to meet the minimum service credit requirements for participation under each system's DROP.

B. The benefit payable by the reciprocal system shall be based on the DROP provisions of each system. The final average salary used to determine plan deposits shall be that of the reciprocal system which furnishes the highest final average salary at the time of retirement. Each reciprocal system shall use the method of computing final average salary stipulated by its law. Salaries earned in the Arkansas Judicial Retirement System and alternate retirement plans shall not be used in computing final average salary.

C. Plan deposits and plan interest credited to the DROP account will be paid under the deferred retirement option program in effect for that reciprocal system.

IX. T-DROP Cash Balance Account (CBA)

A. At the time that a participant may elect to receive a lump-sum distribution
of all of their T-DROP account balance, the participant may instead elect to defer all or a part of their T-DROP account and direct that such amount be held in a T-DROP Cash Balance Account (CBA) for the participant. If a participant chooses to defer only part of the T-DROP distribution into a T-DROP Cash Balance Account, the remainder of the T-DROP distribution shall be annuitized with ATRS according to the distribution options set out under A.C.A. § 24-7-1308.

B. After the T-DROP Cash Balance Account has been established on the ATRS' accounting system, a participant with a T-DROP Cash Balance Account balance may withdraw funds from the account six (6) times per quarter on such forms as ATRS may issue. ATRS may allow the participant to obtain additional withdrawals in a quarter with Executive Director approval. A participant may also request a recurring monthly distribution of a set amount until the CBA balance is depleted or the request is terminated by the participant. Minimum distributions will be made sufficient to satisfy legal requirements under Ark. Code Ann. § 24-7-730 and the Internal Revenue Code.

C. A T-DROP Cash Balance Account shall be credited monthly with T-DROP Cash Balance Account interest, beginning the month after the account is established, and debited for all withdrawals and distributions.

D. T-DROP Cash Balance Account Interest Schedule

1. The initial interest rates for participants electing to enter the T-DROP Cash Balance Account program are set forth in this subsection. Members establishing a T-DROP Cash Balance Account on or after July 1, 2012, shall receive interest on their T-DROP Cash Balance Account according to the following schedule:

   After establishing a T-DROP Cash Balance Account and:

   For the first fiscal year of participation: 2.50% interest.
   For two (2) fiscal years: 2.75% interest.
   For three (3) fiscal years: 3.00% interest.
   For four (4) fiscal years: 3.25% interest.
   For five (5) fiscal years: 3.50% interest.
   For six (6) or more fiscal years: 4.00% interest.

2. These interest rates are minimum interest rates that apply to T-DROP Cash Balance Accounts that are established while these rates are in effect. The T-DROP Cash Balance Account interest may be increased by the ATRS Board of Trustees on a forward-looking and Ad Hoc basis.
E. The T-DROP Cash Balance Account Interest rates payable on T-DROP Cash Balance Accounts established on or after July 1, 2012, shall remain in effect unless the ATRS Board of Trustees adopts a different schedule with lower interest rates to be used for future entrants to the T-DROP Cash Balance Account at least one (1) year prior to the beginning of a fiscal year in which the lower interest rates shall apply. The ATRS Board of Trustees may adopt an interest rate schedule for new entrants by Resolution, setting forth the new interest rate schedule for the T-DROP Cash Balance Account. T-DROP Cash Balance Accounts existing prior to the effective date of the Resolution shall be unaffected by the new interest rate schedule.

F. When adjusting and setting rates for interest on a T-DROP Cash Balance Account, the Board may consider the current market conditions, competing financial offerings to members, the bank rate for certificates of deposits, the status of ATRS' returns on investments, and the current state of T-DROP Cash Balance Account participation. The Board may periodically authorize by resolution a special ad hoc incentive payment for the Cash Balance Accounts if the Board determines that payment is likely to retain existing T-DROP Cash Balance Account holders and increase future participation in T-DROP Cash Balance Accounts. The ad hoc increase may be set as a single amount to be applied to all Cash Balance Accounts or may be computed as a graduated amount based upon the length of time the Cash Balance Account has been in existence.

G. If a participant dies with a T-DROP Cash Balance Account, the account balance shall be paid as provided under Ark. Code Ann. § 24-7-1310.

Subtitle

TO AMEND THE LAW CONCERNING DEPOSITS IN
THE TEACHER DEFERRED RETIREMENT OPTION
PLAN; TO REPEAL CERTAIN PROVISIONS
CONCERNING THE TEACHER DEFERRED
RETIREMENT OPTION PLAN; AND TO DECLARE AN
EMERGENCY.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code § 24-7-1306 is amended to read as follows:

24-7-1306. Amount of deposits.

(a) Teacher Deferred Retirement Option Plan deposits shall be a
percentage of the plan benefit.

(b)(1)(b) The percentage is one hundred percent (100%) reduced by the
product of one percent (1%) multiplied by the number of years of reciprocal
service and credited service and fractions thereof in the Arkansas Teacher
Retirement System If a plan participant has at least thirty (30) years of
ccredited service in the Arkansas Teacher Retirement System, including
combined service with a reciprocal system, a plan deposit shall be calculated
beginning with the participant’s plan benefit and then reduced by one percent
(1\%) for each year of credited service, including fractions of a year.

(2)(A) When a participant whose effective date in the plan is before September 1, 2003, reaches normal retirement age, the plan deposits shall be one hundred percent (100\%) with no reduction.

(B) For any participant whose effective date in the plan is September 1, 2003, or after, the plan deposits for a participant who reaches normal retirement age shall continue as reduced under subdivision (b)(1) of this section.

(c)(1) In the event a member whose effective date in the plan is before September 1, 2003, has more than thirty (30) years of service, the years of service above thirty (30) years shall be reduced by one-half of one percent (0.5\%) for contributory years and three tenths of one percent (0.3\%) for noncontributory years. If a plan participant has at least twenty-eight (28) years of credited service but fewer than thirty (30) years of credited service in the Arkansas Teacher Retirement System, including combined service with a reciprocal system, the Board of Trustees of the Arkansas Teacher Retirement System may authorize early participation in the plan.

(2) For any member whose effective date in the plan is September 1, 2003, or after and who has more than thirty (30) years of service, the plan deposits for the years of service above thirty (30) years shall be reduced under subdivision (b)(1) of this section. The plan deposit of the early participant shall be calculated beginning with the plan benefit of the early participant, then initially reduced by one percent (1\%) for each year of credited service, including fractions of a year, and then may be further reduced by at least an additional five-tenths percent (0.5\%) but no more than one percent (1\%) of the initially reduced plan deposit for each month of credited service under thirty (30) years.

(d) The Board of Trustees of the Arkansas Teacher Retirement System is authorized to make further adjustments on to the plan by board resolution to make it cost-neutral to the Arkansas Teacher Retirement System.

(e) As used in this section, "effective date" means the date determined to be the member's plan date under the policies and rules of the board.

SECTION 2. Arkansas Code § 24-7-1314 is repealed.

24-7-1314. Early participation.
(a) The Board of Trustees of the Arkansas Teacher Retirement System, in consultation with its actuary, may promulgate rules and regulations to allow members having at least twenty-eight (28) but less than thirty (30) years of credited service to enter the Teacher Deferred Retirement Option Plan as early participants. The board may authorize the early participation as soon as it is technologically feasible and actuarially appropriate.

(b) If the board authorizes early participation, the plan deposit under § 24-7-1306 shall be based upon the deposit percent payable for a participant with thirty (30) years of service, reduced by at least an additional one-half of one percent (0.5%) and no more than one percent (1%) of the plan benefit for each month the member begins participating in the plan prior to having thirty (30) years of credited service. The board may increase the percentage required as an early participation reduction, by board resolution, in order to provide a fair and just and reasonable benefit for all members of the Arkansas Teacher Retirement System and to provide for appropriate actuary considerations.

SECTION 3. EMERGENCY CLAUSE. It is found and determined by the General Assembly of the State of Arkansas that certain provisions of the Arkansas Teacher Retirement System Act, an act that created a state agency for the purpose of providing retirement benefits to school employees of the state, are in need of revision and updating to maintain the teacher retirement laws in conformance with sound public pension policy; that the Arkansas Teacher Retirement System operates on a fiscal year of July 1 to June 30; that a July 1, 2019 effective date is necessary to allow the provisions within this act to begin on the first day of the fiscal year to provide proper administration of the procedures referenced in this act; that the updates and revisions to the Arkansas Teacher Retirement System Act are of great importance for actuarial purposes and the protection of member benefits under the Arkansas Teacher Retirement System; and that this act is necessary in order to maintain an orderly system of benefits for the members of the Arkansas Teacher Retirement System. Therefore, an emergency is declared to exist, and this act being necessary for the preservation of the public peace, health, and safety shall become effective on July 1, 2019.
