AN ACT TO CREATE THE ARKANSAS HEMP AND MEDICAL MARIJUANA QUALITY ASSURANCE LABORATORY FOR PUBLIC SAFETY AND COMPLIANCE VERIFICATION PURPOSES; AND FOR OTHER PURPOSES.

Subtitle

TO CREATE THE ARKANSAS HEMP AND MEDICAL MARIJUANA QUALITY ASSURANCE LABORATORY FOR PUBLIC SAFETY AND COMPLIANCE VERIFICATION PURPOSES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code Title 20, Chapter 56, Subchapter 3, is amended to add an additional section to read as follows:

20-56-307. Arkansas Hemp and Medical Marijuana Quality Assurance Laboratory.

(a) The Department of Health shall establish the Arkansas Hemp and Medical Marijuana Quality Assurance Laboratory to conduct compliance and quality assurance testing of hemp and medical marijuana licensees, including testing laboratories, processors, growers, and cultivation facilities licensed in this state.

(b) The Arkansas Hemp and Medical Marijuana Quality Assurance Laboratory shall work in conjunction with the private sector through a
contracted laboratory that shall be licensed by the department for hemp and medical marijuana testing in this state.

(c)(1) A laboratory contracted for compliance and quality assurance testing in this state shall:

(A) Have a minimum of two (2) years of medical marijuana testing licensure in another state;

(B) Have experience in medical testing; and

(C) Currently be, or have previously been, contracted for quality assurance testing for medical marijuana in another state within the last year.

(2) The contracted laboratory for compliance testing shall:

(A) Be a licensed laboratory in this state or obtain a laboratory license before submitting a bid with the department;

(B) Not be owned by a person employed by the department or other government agency or serving on the Medical Marijuana Commission;

(C) Not employ or contract with a person employed by the department or other government agencies or serving on the commission;

(D) Provide compliance and quality assurance testing and be managed by the department, but shall also be accessible and utilized for other agencies overseeing compliance for the medical marijuana industry within the state, including without limitation the Identification Bureau of the Division of Arkansas State Police, the Department of Agriculture, the Alcohol Beverage Control Board, the Office of the Attorney General, or any law enforcement agency; and

(E) Provide all compliance testing on location and not refer out any testing to any secondary laboratory.

(d)(1) A laboratory shall submit, in a request for proposal, a proposal to be reviewed, scored and offered for contract by the department.

(2) The department shall complete the contracting process and have the compliance and quality assurance testing laboratory operational no later than October 1, 2021.
