HOUSE BILL

For An Act To Be Entitled

AN ACT TO CREATE THE ARKANSAS GENETIC COUNSELOR LICENSURE ACT; AND FOR OTHER PURPOSES.

Subtitle

TO CREATE THE ARKANSAS GENETIC COUNSELOR LICENSURE ACT.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

SECTION 1. Arkansas Code Title 17, Chapter 95, is amended to add an additional subchapter to read as follows:

Subchapter 11 – Arkansas Genetic Counselor Licensure Act

17-95-1101. Title.
This subchapter shall be known and may be cited as the "Arkansas Genetic Counselor Licensure Act".

17-95-1102. Definitions.
As used in this subchapter:

(1) "Genetic counseling" means the process of assisting individuals with understanding and adapting to the medical, psychological, and familial implications of genetic contributions to disease, which includes without limitation:

(A) Obtaining and evaluating individual and family medical histories to determine genetic risks for genetic or medical conditions and
(B) Discussing the features, natural history, means of
diagnosis, genetic and environmental factors, and the management of risks of
genetic or medical conditions and diseases;

(C) Identifying and coordinating genetic laboratory tests
and other diagnostic studies as appropriate for genetic assessment;

(D) Integrating genetic laboratory test results and other
diagnostic studies with personal and family medical history to assess and
inform the patient or the family of risk factors for genetic or medical
conditions and diseases;

(E) Explaining the clinical implication of genetic
laboratory tests and other diagnostic studies and the results;

(F) Evaluating the responses by the patient or the family
to the condition or risk of recurrence and providing patient-centered
counseling and anticipatory guidance;

(G) Identifying and utilizing community resources that
provide medical, educational, financial, and psychosocial support and
advocacy; and

(H) Providing written documentation of medical, genetic,
and counseling information for patients, families, and healthcare
professionals;

(2) "Genetic counselor intern" means a student who is enrolled
in a genetic counseling program accredited by the American Board of Genetic
Counseling or the American Board of Medical Genetics and Genomics;

(3) "Licensed genetic counselor" means a person who is licensed
under this subchapter to engage in the practice of genetic counseling;

(4)(A) "Supervision" means the overseeing of the activities of
and accepting responsibility for the genetic counseling services rendered by
a genetic counselor intern.

(B) The presence of the supervisor is not required during
the providing of the genetic counseling services; and

(5) "Supervisor" means a licensed genetic counselor or licensed
physician, or an advanced practice registered nurse.

17-95-1103. Exemptions from genetic counselor licensure.
This subchapter does not require licensure as a genetic counselor of:

(1) An individual who is licensed by this state as a healthcare professional and who is practicing within his or her scope of practice;

(2) An individual who is employed as a genetic counselor by the federal government if the individual provides genetic counseling solely within the course and the scope of his or her employment; or

(3) A student enrolled in an accredited genetic counseling educational program if:

(A) The genetic counseling performed by the student is integral to the course of study of the student;

(B) The genetic counseling is performed under supervision of a supervisor assigned to supervise the student; and

(C) The healthcare facility or supervisor designates on the student's identification badge that the student is as a genetic counselor intern.

17-95-1104. Authority of the Arkansas State Medical Board.

The Arkansas State Medical Board shall:

(1) Develop appropriate rules necessary to regulate genetic counselors;

(2) Receive, review, and approve applications for genetic counselor licensure;

(3) Issue, renew, suspend, revoke, or deny licensure as a genetic counselor;

(4) Conduct hearings on investigative and disciplinary proceedings;

(5)(A) Maintain a database of all licensees and all persons whose licenses have been suspended, revoked, or denied.

(B) Access to a database under subdivision (5)(A) of this section shall be available upon written request and payment of an appropriate fee as determined by the board; and

(6) Perform other functions and duties required to carry out this subchapter.

17-95-1105. Title protection.
A person shall not use or assume the title "licensed genetic counselor" or use any words, letters, abbreviations, or insignia indicating or implying that the person holds a genetic counselor license unless the person is licensed by the Arkansas State Medical Board.

17-95-1106. Genetic counselor licensure.
   (a) The Arkansas State Medical Board shall license as a genetic counselor an applicant who:
       (1) Submits an application approved by the Arkansas State Medical Board;
       (2) Pays an application fee approved by the Arkansas State Medical Board;
       (3) Either:
           (A) Provides evidence of certification as:
               (i) A genetic counselor by the American Board of Genetic Counseling or the American Board of Medical Genetics and Genomics; or
               (ii) A medical geneticist by the American Board of Medical Genetics and Genomics; or
           (B) Has worked as a genetic counselor for ten (10) years and provides:
               (i) Documentation that the applicant has:
                   (a) A master's degree or higher in genetics or a related field of study;
                   (b) Never failed a certification examination by the American Board of Genetic Counseling or the American Board of Medical Genetics and Genomics; and
                   (c) Attended a continuing education unit program within the last five (5) years approved by the Arkansas State Medical Board; and
               (ii) Three (3) letters of recommendation from individuals who have worked with the applicant in an employment setting in the last ten (10) years and can attest to the competency of the applicant in providing genetic counseling services.

   (b)(1) The Arkansas State Medical Board may issue a license to an applicant who provides evidence that he or she is licensed to practice as a genetic counselor in another state or territory if the requirements for
licensure in the other state or territory are equal to the requirements in
this subchapter.

(2) The issuance of a license by reciprocity shall be at the
sole discretion of the Arkansas State Medical Board.

17-95-1107. Renewal of genetic counselor license.
(a) Except in the case of a temporary license under § 17-95-1108, a
license shall be valid for a two-year period from the date of issuance.
(b) Upon receipt of a renewal application and renewal fees as
determined by the Arkansas State Medical Board, the board shall renew a
license to practice as a genetic counselor.
(c)(1) As a condition of licensure renewal, a genetic counselor shall
submit documentation that he or she has completed fifty (50) hours of
continuing education units approved by the board.
(2) The board may waive the continuing education requirement or
grant an extension of time to complete the continuing education requirement
upon a finding of good cause based on an emergency or hardship of the
licensee.

17-95-1108. Temporary licensure.
(a)(1) The Arkansas State Medical Board may issue a temporary license
to an applicant who does not meet the certification requirement in
subdivision (a)(3)(A) of this section if the applicant:
(A) Has been granted an active-candidate status by the
American Board of Genetic Counseling; and
(B) Submits an application and appropriate application
fees with the Arkansas State Medical Board.
(2) A temporary license is valid for one (1) year from the date
of issuance.
(3)(A) A temporary license may be renewed for one (1) year if
the applicant fails on his or her first attempt to pass the certification
examination of the American Board of Genetic Counseling or the American Board
of Medical Genetics and Genomics.
(B) An application for renewal shall be signed by a
supervisor of the applicant.
(4) A temporary license shall expire automatically upon the earliest of:
   (A) The date of issuance of a license under § 17-95-1106;
   (B) Thirty (30) days after the date that the applicant fails on his or her second attempt to pass the certification examination; or
   (C) The date printed on the temporary license.
   
   (b) As a condition of temporary licensure, an applicant shall work under the supervision of a supervisor when the applicant provides genetic counseling services.

17-95-1109. Denial, suspension, revocation, or refusal to renew -

Censure.
   (a) The Arkansas State Medical Board may deny, suspend, revoke, or refuse to renew a license, or may reprimand, censure, place on probation, or otherwise discipline a licensee, upon proof that the licensee has:
   
   (1) Obtained or attempted to obtain a license by fraud or deception;
   (2) Been convicted of a felony under state or federal law or committed any offense involving moral turpitude;
   (3) Been adjudicated mentally ill or incompetent by a court;
   (4) Used illicit drugs or intoxicating liquors to an extent that adversely affects the practice of genetic counseling;
   (5) Engaged in unethical or unprofessional conduct, including without limitation willful acts, negligence, or incompetence in the course of professional practice;
   (6) Violated any order or rule of the board; or
   (7) Been denied licensure or disciplined in another state or territory in connection with a license in another state or territory.
   
   (b) A licensee under subsection (a) of this section shall promptly deliver his or her license to the board if the licensee:
   
   (1) Has his or her license suspended or revoked; or
   (2) Surrenders his or her license with or without prejudice if the surrender is approved by the board.
