The Arkansas Legal Services Partnership is providing this information as a service to low income Arkansans. Use of this packet does not constitute, in any manner, an attorney-client relationship between ALSP and you.

The information and statements of law in this packet should not be considered legal advice. This packet is provided as a broad guide with sample forms to help you understand how requesting the court for an uncontested guardianship of a minor is handled in general.

Courts may interpret the law differently. Before you take action, it is best talk to an attorney and follow his or her advice. Always do what the court tells you to do.
