Dear Co-Chairs:

The Policy Making Subcommittee of the Arkansas Legislative Council met Thursday, December 14, 2017 at 11:00 a.m. in Room 272 of the State Capitol Building, Little Rock, Arkansas. Representative George B. McGill called the meeting to order and saw a quorum of members present. The members present are listed on the sign-in sheet.

Senator Jane English, Co-Chair of the Legislative Task Force on Workforce Education Excellence, was recognized to explain the request for an additional allocation of committee funds. Senator English explained that the original amount allocated to the task force would not be sufficient due to the number of legislators attending the task force meetings who are not members of the task force.

Following discussion, Representative Jeremy Gillam moved that the Policy-Making Subcommittee recommend the approval of an additional allocation of committee funds in the amount of \$15,000.00 for the Legislative Task Force on Workforce Education Excellence. The motion was seconded and passed by voice vote.

There being no further business, the meeting adjourned.

Respectfully submitted,

Senator Linda Chesterfield, Co-Chair and Representative George B. McGill, Co-Chair
