Re: Annual Report- Court Security Grant Program; Act 576 of 2007

Date: 7/5/18

Act 576, section 1 of 2007, codified as Ark. Code Ann. § 16-10-1006, provides as follows:

Court security grant program.

(a) The Administrative Office of the Courts shall administer a court security grant program for the purpose of providing financial assistance from funds specifically appropriated for that purpose to city and county governments to assist in the implementation of local security and emergency preparedness plans for circuit courts and district courts.

The Act further states that on July 31 of every year the Administrative Office of the Courts shall provide an annual report to the Legislative Council that shall include the number of grant requests received from counties and the number and amount of grants approved.

Eligible applicants included any counties which previously completed all requirements for the submission and approval of their comprehensive Local Court Security and Emergency Preparedness Plan, including the Facility Assessment, Court Security Plan, Emergency Response Plan and Continuity of Operations Plan. In FY2018 thirty-six applications seeking \$448,953.00 were received. After thorough review of each application and with Governor Hutchinson's support through the release of \$300,000.00 one-time 'rainy day' funds to supplement the \$250,000.00 allocation the Committee approved thirty-five applications totaling \$431,356.27.

The grants were disbursed to the counties on June 5, 2018 and must be expended by December 31, 2018. Grant reports will be required of all successful applicants and due by January 15, 2019.
