(ii) A declaratory order or ruling issued under § 25-15-206 or other provision of law applicable to the state agency issuing the declaratory order or ruling; or

(iii) Intraagency memoranda; and

(2)(A) “State agency” means an office, board, commission, department, council, bureau, or other agency of state government having authority to promulgate or enforce rules.

(B) “State agency does not include the following:

(i) The Arkansas State Game and Fish Commission, if the rule is not promulgated under the authority of a statute enacted by the General Assembly;

(iii) An institution of higher education.

(b) A state agency shall file a proposed rule with the Legislative Council at least thirty (30) days before the expiration of the period for public comment on the rule under the Arkansas Administrative Procedure Act, § 25-15-201 et seq., or other laws or policies pertaining to the rulemaking authority of that state agency.

(c) The Legislative Council shall refer all proposed rules filed by a state agency with the Administrative Rules and Regulations Subcommittee.

(d) **Review and Approval of Rules by the Administrative Rules and Regulations Subcommittee.** The Administrative Rules and Regulations Subcommittee (the “Subcommittee”) shall conduct its review of state agency rules as follows:

(1) **Placement of Rules on the Subcommittee Agenda.** In order to have a rule placed on an upcoming Subcommittee agenda, the following requirements must be met:

(A) The public comment period of the state agency’s proposed rule

shall have expired by the 15<sup>th</sup> of the month prior to the Subcommittee meeting date at which the state agency would like the proposed rule to appear on the agenda; and

(B) The state agency shall provide the Subcommittee staff with the following information, which is in addition to the information previously required to have been submitted under subsection (d)(2) of this Rule:

(i) A public comment summary that includes for each comment received: the name of the commenter, if known; a summary of the comment; and a response by the agency to the comment;

(B) At this point, the rule is considered reviewed and approved, pending Legislative Council final action, unless a majority of a quorum present at the Subcommittee meeting request that the Subcommittee vote on the issue of approving the rule.

(C)(i) At the time that the motion is made to vote regarding approval, the member making the motion shall state the grounds upon which approval should be denied.

(ii) The only viable grounds for not approving a rule shall be if the rule is found to be inconsistent with state or federal law or with legislative intent.

(D) If the Subcommittee votes on the issue of approving the proposed rule, the proposed rule shall be considered approved unless a majority of a quorum present vote for the rule to not be approved.

(E)(i) The Subcommittee shall not exercise line-item review and approval of a proposed rule. Review and approval of the proposed rule shall apply to the entire proposed rule as submitted by the state agency.

(ii) If a state agency presenting a proposed rule to the

(F)(i) [Effective July 31, 2017] A proposed rule submitted by the State Board of Health under Arkansas Code § 20-7-604(d)(2)(D), concerning exemptions from the requirements of the Prescription Drug Monitoring Program, shall be considered reviewed and approved by the Subcommittee upon an affirmative vote of three-fourths (3/4) of the members present when a quorum is present.

(C) Either chair of the Subcommittee may determine that there is an undue delay in the review of the proposed rule by the committee or subcommittee to which it was referred and recall the proposed rule in order to begin the review and approval process by the Subcommittee.

(6)(A) **Statutory Requirement for Review by a Specific Subject Matter Committee.** If a statute requires a proposed rule to be reviewed or considered by a specific subject matter committee or subcommittee, the subject matter committee or subcommittee shall consider the proposed rule before the Subcommittee undertakes review and approval of the proposed rule.

(B)(i) Either chair of the Subcommittee may waive the requirement of subsection (d)(6)(A) if he or she determines that prior review by the subject matter committee or subcommittee will or has already resulted in an undue delay in the review and approval process.

(ii) A waiver shall not be granted if the state agency has not provided the required information under subsection (d)(1)(B) of this Rule.

(iii) Issuance of a waiver by either chair of the Subcommittee does not remove the statutory requirement of review or consideration by the subject matter committee or subcommittee, and the state agency shall still comply with all statutory requirements regarding review by legislative committees.

(e) **Review and Approval of Rules by the Legislative Council.**

(1) The Legislative Council shall conduct its approval of rules reviewed and approved by the Administrative Rules and Regulations Subcommittee in the following manner:
