Ms. Freeburn,

I apologize for the delayed response. After researching your question, it became apparent that the highlighted portions are all cases in which the original recommendation of the Board was to "Transfer to ACC Supervision." Based on the failure to obtain the five requisite affirmative votes, the final decision in each instance was recorded as "Denied One Year." I will be getting with our eOMIS technical support team to see what changes need to be made in the Electronic Offender Management Information System to ensure that in these particular instances the appropriate, and necessary, information is pulled from eOMIS and placed into the report. With that being said, I've attached a list of the cases in question along with the reason for each denial. I apologize for any inconvenience. Should you require any clarification or any additional information, please do not hesitate to let me know.

Respectfully,

Subject: Question - December 2016 Act 570 Report

Ms. Cummings,

We have reviewed the December 2016 report from the Parole Board and I have a question with which I hope you can help me. It appears that a reason for the denial of parole is not shown for some on the report as required by Arkansas Code Annotated 16-93-210(a)(3). I have attached copies of pages 26, 27, 32, 33,

and 34 with these listings highlighted.

My question is, if parole has been denied for these persons, why is a reason for the denial not shown below their names on the report? I appreciate any help you may be able to give me with this question.

Thank you. Vicki Freeburn

The denial/deferral section summarizes 105 denials (1 or 2 year) along with deferrals, rescinded paroles, and reconsiderations (appeals) for the month. During the month of December, the Board approved 601 parole cases. Should you require anything further, please do not hesitate to contact either myself or Chairman John Felts.
