---

Good afternoon,

Enclosed is the February 2017 Parole Board Activity Report as required by §16-93-210. The report summarizes 1247 Board actions (Parole and Executive Clemency) during the month of February 2017. The denial/deferral section summarizes 141 denials (1 or 2 year) along with deferrals, rescinded paroles, and reconsiderations (appeals) for the month. During the month of February, the Board approved 665 parole cases. You will also find attached an Addendum to the February 2017 Report. This information was not populated when the report was generated. The cause of failure to populate all necessary information has been determined, and we are diligently working with our eOMIS support team to resolve the issue. Currently, we are in the test phase which will soon be followed by full implementation allowing us to include all requisite information in a single report. Thank you for your continued patience during this process. As always, should you require anything further, please do not hesitate to contact either myself or Chairman John Felts.

Respectfully,

*Brooke D. Cummings*
