[ADDENDUM to January 2017 Act 570 Report.docx](#)

Good afternoon,

Enclosed is the January 2017 Parole Board Activity Report as required by §16-93-210. The report summarizes 1691 Board actions (Parole and Executive Clemency) during the month of January 2017. The denial/deferral section summarizes 227 denials (1 or 2 year) along with deferrals, rescinded paroles, and reconsiderations (appeals) for the month. During the month of January, the Board approved 973 parole cases. You will also find attached an Addendum to the January 2017 Report. This information was not populated when the report was generated. The cause has been determined, and we are now in the process of working with our eOMIS support team to remedy this issue. It is our goal to have this corrected by the time we generate the next report in March. Should you require anything further, please do not hesitate to contact either myself or Chairman John Felts.

Respectfully,

Brooke D. Cummings
