Joint Budget Committee Members:

We, the Executive Subcommittee of the Arkansas Legislative Council, met at 10:30 a.m. on Monday, March 09, 2015, in Room 205 of the State Capitol Building. The members present are reflected on the sign in sheet.

The Subcommittee heard a presentation by Bureau of Legislative Research Director, Marty Garrity, regarding approval of the proposed Amendment to the actuarial services contract between the Bureau of Legislative Research and Osborn, Carreiro & Associates, Inc. Director Garrity explained that the need for the amendment is to allow for continued use of the actuarial services by legislative committees other than the Joint Retirement Committee. Director Garrity cited a current need for these services by the House State Agencies and Governmental Affairs Committee to allow Osborn, Carreiro & Associates, Inc. to conduct an actuarial study regarding a bill by Rep. Fred Love, HB 1401.

There was discussion by the Subcommittee members. Rep. Branscum, House Co-Chair of the Legislative Council, made a motion for the Subcommittee to authorize the Bureau to enter into the Amendment to the actuarial services contract with Osborn, Carreiro & Associates, Inc. The motion was seconded and passed by voice vote. Rep. Branscum then moved that the Subcommittee authorize the use of the contract by the House State Agencies and Governmental Affairs Committee for the purpose of receiving an actuarial study regarding HB 1401. The motion was seconded and passed by voice vote.

There being no further business the meeting was adjourned.

Respectfully Submitted,

## AMENDMENT TO ACTUARIAL SERVICES CONTRACT

This Amendment to Actuarial Services Contract (the "Amendment") shall constitute an amendment to the Actuarial Services Contract (the "Contract") entered by and between Osborn, Carreiro & Associates, Inc., 124 W. Capitol Ave., Ste. 1690, Little Rock, Arkansas 72201 ("Osborn") and the Bureau of Legislative Research, 500 Woodlane St., State Capitol Bldg., Rm. 315, Little Rock, Arkansas 72201 ("BLR") and dated September 18, 2013, and any and all attachments thereto (Attachment A).

Osborn and BLR hereby agree as follows:

- Services to be performed.** Nothing in this Amendment changes the scope of services to be performed under the Contract, which shall remain as follows: "To provide consultant and actuarial services as required by the Joint Committee on Public Retirement and Social Security Programs and other committees of the General Assembly and to attend all related committee meetings in and outside Little Rock."
- Fees and Expenses.** From the date of execution of this Amendment through the termination of the Contract on June 30, 2015, the total maximum amounts payable under the Contract, as set forth in Attachment 1 to the Contract, will no longer be segregated allotting One Hundred Thousand Dollars (\$100,000) maximum for the Joint Retirement Committee and Fifty Thousand Dollars (\$50,000) for other committees of the General Assembly. The remainder of the contract maximum amount of One Hundred Fifty Thousand Dollars (\$150,000), calculated as of the date of execution of this Amendment may be applied for the use of any committee or task force of the General Assembly.
- Contract Provisions.** All other provisions and terms of the Contract remain unchanged by this Amendment.
- Governing Law.** This Amendment shall be governed by the laws of the State of Arkansas, without regard to Arkansas's conflict of law principles. Nothing in this Amendment shall be construed as a waiver of sovereign immunity of the BLR or the Arkansas General Assembly.

### **RE: Allocation for Actuarial Services**

Dear Senator Chesterfield and Representative Word, Co-Chairs:

The Joint Committee on Public Retirement and Social Security Programs voted September 18, 2013 to contract for actuarial services with Osborn, Carreiro & Associates, Inc. for committees of the General Assembly. We anticipate the attached contract, upon favorable review, will be effective September 1, 2013 through June 30, 2015 for \$150,000.

On behalf of the Committee, we respectfully request the Arkansas Legislative Council to allocate for the biennium \$150,000, or so much thereof as may be needed, for actuarial services to be payable from the monies appropriated for Interim Committee Study Expense purposes in Section 4 of Act 1306 of 2013.

Thank you for your consideration.

Respectfully submitted,

RE: Actuarial Services Contract

Dear Karen:

This letter provides an update of our actuarial fees involved with the continuance of our contract with the Joint Committee on Public Retirement and Social Security Programs for the period beginning September 1, 2013 and ending June 30, 2015. We would propose to increase hourly rates from the last biennium as follows:

Lead Supervising Actuary (FSA)	\$210 per hour
Supervising Actuary (ASA)	\$165 per hour
Support Actuary (ASA)	\$100 per hour
Support Staff	\$80 per hour

**Services for Joint Committee on Public Retirement and Social Security Programs**

The total charges for projects during the biennium will be based on our hourly rates, but not to exceed:

- a) \$1,250 times the number of proposals or projects evaluated during a session, with an overall maximum of \$85,000 for the biennium, plus
- b) Our hourly rates for projects and meetings with the interim committee, but not to exceed \$1,250 per month (during the fiscal year in which there is not a regular session), i.e. a maximum of \$15,000.

The total maximum amount payable under the proposed contract is \$100,000 for the next biennium. This contract proposal represents a \$4,000 increase in the maximum amount for the biennium.

**Services for Other Committees**

We also understand that other interim and standing committees may require actuarial services during this contract period. We would propose that the above listed hourly rates would apply to such work.

We would further propose that the maximum additional amount to be billed for work for committees other than the Joint Committee on Public Retirement would be \$50,000. Mr. Steve Osborn would be our primary contact for this additional work. I would be the secondary contact on this work. Please note for disclosure purposes that I serve as a school board member.

Please let us know if you need any additional information. We are looking forward to continuing to work with the committee.

Sincerely,

Jody Carreiro, ASA, MAAA, FCA  
Actuary

**PERFORMANCE STANDARDS**

- Provide cost analysis, as requested for proposed legislation
- Supervising actuary attends committee meetings to provide routine actuarial consultation on technical, policy, legal, or administrative questions
- Communicate new developments/trends in public retirement programs and provide improvement recommendations
- Assist in preparation of proposed changes to governing retirement laws
- Provide consultation and advisory services in the policy and administrative problems of new legislation implementation
- Develop and provide various tables and factors as needed by legislative committees
- Keep committees advised on developments in federal legislation and regulations regarding financing, benefits, vesting, fiduciary responsibility, disclosure, etc.
- Readily accessible to committee members and staff
- Supervising actuary available for periodic educational discussions with committees and staff members

RE: Actuarial Services Contract  
Equal Opportunity Policy Disclaimer

Dear Karen:

Act 2157 of 2005 of the Arkansas Legislative Session requires that any business or person bidding, who is responding to a formal bid, Request for Qualifications, or negotiating a contract with the state for professional or consultant services, submit their most current equal opportunity policy (EO Policy).

It is our understanding that although contractors are encouraged to have a viable equal opportunity policy, a written response stating the contractor does not have such an EO Policy will be considered an acceptable response in complying with the requirement of Act 2157.

**Although our company practice has always been to abide by normal equal opportunity principles, our company does not have a written EO Policy available.**

Please let us know if you need any additional information.

Sincerely,

Steve Osborn, F.S.A.

**MEMORANDUM**

---

**TO:** Senator Linda Chesterfield and Representative James Word  
 Co-Chairs, ALC-Policy Making Subcommittee

**FROM:** Marty Garrity, Director, Bureau of Legislative Research

**DATE:** September 18, 2013

**SUBJECT:** Sole Source Contract: Technical Services Contract – Actuarial Services

---

Please find below the justifications for this sole source contract with Osborn, Carreiro & Associates.

1. **What method(s) were used to determine that a lack of responsible competition exists for this service or commodity?**

The committee learned through a previous bid process that this provider is the only local provider of actuarial service with public sector retirement experience. The Committee needs a local provider with retirement plan expertise to meet with the Committee members at a moment's notice regarding retirement issues.

2. **Why is this service or commodity needed?**

The service is required under A.C.A. § 10-3-702. A bill introduced in either house to amend an existing public retirement system law or to establish a new or expanded program must be accompanied by a fiscal note reflecting the estimated cost and the fiscal impact upon the actuarial soundness of the retirement system. The Committee may request actuarial services in evaluating these bills.

3. **How was it determined that this service, provider or commodity has exclusive processes or properties?**

This provider was initially selected in 1998 because it is a local firm with the requisite experience. The Committee has voted repeatedly to renew its contract.

Since the actuaries are readily available to attend Committee meetings, the firm can be responsive to the Committee and provide a quick turnaround on requested information. The

Committee needs a local provider with retirement plan expertise to meet with Committee members at a moment's notice regarding retirement issues.

The provider's extensive credentials and experience allows them to communicate effectively with the Committee. The firm has been providing actuarial services since 1973 and has been the actuary

for the Arkansas Fire and Police Pension Review Board, Arkansas Association of Counties, Arkansas Municipal League, and Workers Compensation Commission – Death and Permanent Total Disability Fund.

- 4. Can requirements be modified so that the services or commodity can be competitively bid? If not, why?**

The presentation of actuarial information during committee meetings is of utmost importance and the cost of providing this service by an out-of-town firm would be neither cost effective nor logistically feasible.

- 5. Are there patent, copyright or proprietary rights which make the required service or commodity unavailable from other sources?**

None that the Committee is aware of.

- 6. What would the agency do if the service or commodity were no longer available?**

The selection process would start again with a request for proposal.

- 7. Detail any program considerations, which make the use of a "Sole Source" critical to the successful completion of the task(s).**

See # 3 above.
