Senator Scott Flippo, Co-Chair  
Representative Andy Davis, Co-Chair  
Review Subcommittee  
Arkansas Legislative Council

Dear Senator Flippo and Representative Davis,

On September 1<sup>st</sup> our facilities management staff learned of significant roof degradation issues at our Health Professions, Education, and Sport Sciences (HPESS) Complex. This building houses a number of class rooms and faculty offices in addition to basketball courts and other in-door practice and exercise facilities.

Temporary measures have been implemented; however, we seek expedited approval of the accompanying Method of Finance (MOF) so that work may begin immediately to repair the roof and avoid further damage ahead of the Fall rainy season. Your favorable consideration of this request will be appreciated.

Sincerely,

Len T. Frey, Ph.D.
