RE: Contract Disclosure

Dear Senator Salmon and Representative Baker:

The Arkansas Career Training Institute in Hot Springs wishes to award a contract to W.P. Malone, Inc., DBA Allcare Correctional Pharmacy, which was solicited through a request for quotation process. This process was chosen because the value of the contract is not expected to be greater than \$25,000 per year. Percy Malone, President and 100% owner of W.P. Malone, Inc., has disclosed that he is a current State Senator. Therefore, I am submitting this contract for the review of the Arkansas Legislative Council in accordance with the provisions of Ark. Code Ann. § 19-11-264.

The Office of State Procurement confirms that this contract meets the solicitation requirement and criteria, and that the Arkansas Career Training Institute properly complied with the procurement process. Accordingly, I conclude that this contract has fulfilled all the necessary requirements to create a legal contract.

Respectfully yours,
