7/31/2015	Arkansas Department of Environmental Quality	<p>FY 2016 RCRA Cooperative Agreement. The commitments reflected in this work plan are in response to the Environmental Protection Agency's (EPA) national policy, Strategic goals, and priority activities for a RCRA hazardous waste program as defined in the fiscal year (FFY) 2016 Annual Commitment System, and in additional documents listed in Appendix A. The commitments reflect a change in activities as a result of the new hazardous waste state grant distribution methodology issued in a March 26, 2015 memorandum from EPA. The authorization of States for revisions to the RCRA Subtitle C program supports the Agency objectives of safe waste management and cleanup at hazardous waste sites. The State and EPA maintain a strong commitment to the authorization of State programs, the enhancement of the State and Federal relationship, and to ensure full adoption and authorization for RCRA rules, as soon as possible.</p>	Statewide	U.S. Environmental Protection Agency	Federal	\$890,227.00
