Dear Mr. Krenn:

The Arkansas Department of Corrections is requesting to transfer a total of 22 positions to the DOC's Shared Services Division in fiscal year 2022. The Department is requesting to move 8 Division of Community Correction (ACC) Training Academy positions, 12 Division of Correction Training Academy positions, and 2 Division of Correction (ADC) Legal Services positions and their appropriations (\$416,751 ACC and \$731,732 ADC) to the DOC's Shared Services Division. Additionally, the Department is requesting to transfer the M&O appropriation associated with these positions (\$252,467 ACC and \$861,381 ADC) to the Shared Services Division.

These positions were previously approved by the Board of Corrections to be a part of the Department's Shared Services division and have operated as such since 2019. However, they were omitted in the drafting of our appropriation bills. The Board of Corrections approved this reallocation request on May 14, 2021.

If we can provide additional information, please let me know.

Sincerely,

RE: Transfer of Appropriations to Shared Services

Dear Senator Dismang and Representative Jean:

The Department of Energy and Environment (E&E) requests approval from the Arkansas Joint Budget Committee for the transfer of one position, and the respective appropriation, from the Liquefied Petroleum Gas Board to E&E Shared Services:

(1) Fiscal Support Specialist

Liquefied Petroleum Gas Board

The department submitted an identical request to the Commission in February of this year and was approved. The current request would ensure the Committee's approved changes would be in effect for the fiscal year 2022.

The request does not increase E&E's overall appropriation amount, it only realigns the budget to best meet our needs at this time.

The Department of Energy and Environment appreciates the Committee's consideration of this request.

Sincerely,
