RE: Cash Letter – Appropriation Increase Request for FY 2022

Dear Mr. Brech:

The Arkansas Department of Health (ADH) Board of Examiners in Counseling and Marriage & Family Therapy requests an increase in operating fund appropriation for FY2022 in the amount of \$19,664. The details of our request are provided below:

Business Area:	0228	Fund:	NEC0000
Functional Area:	PROF	Funds Center:	1GE
Commitment:	502:00:02	Amount:	\$19,664

The requested increase would allow the Board to purchase and transfer to a new licensing platform that would enable all user interfaces to be online. It would also enable the Board to replace their current laptop server and upgrade the existing platform, so that auto-email receipts could be sent to licensees who renew licenses. The new licensing platform would streamline data entry for the licensee to enter information online and the applicant or licensee would be able to upload information into the system. Additionally, the new processes will include online payments. The Board has sufficient funding to cover the anticipated expenses.

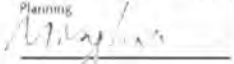

If you would like additional information, I can be contacted by email at jo.thompson@arkansas.gov or by phone at 501-280-4157.

Your consideration of this request will be greatly appreciated.

Sincerely,

Jo Thompson
