Subject: Arkansas Minority Health Promotional Item Transfer Request

Dear Chief Financial Officer Weiss,

AHMC requests to transfer \$20,000 in appropriation from the Operating Expenses (Commitment item 502:00:02) to the Promotional Items (Commitment Item 509:00:28) in accordance with Section 3 Special Language of Act 20 2013.

The FY 2014 authorization for Operating Expenses (\$339,650) and Promotional Items (\$0) for the Minority Health Initiative (Arkansas Minority Health Commission) is authorized under section 2 of Act 20 2013 is funded from the Targeted State Needs Program Account. Section 3 Special Language of Act 20 2013 allows the agency to transfer from its Operating Expenses (Commitment item 502:00:02) to the Promotional Items (Commitment Item 509:00:28).

According to Initiated Act 1 of 2000 (Targeted State Needs Program), AMHC is charged with performing broad outreach and awareness to minority communities throughout the state. AMHC accomplishes this goal through numerous health fairs, public forum, and awareness event throughout the year. In order to attract these sometimes hard to reach, disproportionately disparate communities, incentive and promotional items are a must. This request is being made to allow AMHC to purchase promotional items (pens, measuring tapes, pedometers, brochures....etc.) and other collaterals in meeting our legislative mandates.

AMHC requests this transfer to be effective immediately upon approval. Should you have any other questions or concerns, please do not hesitate to call me directly at 501-686-2721 or 501-686-2720. We appreciate your consideration and approval of this request.
