5/2/2013	4501345860	LTC Rehab 2 LLC	On May 1, 2013, the Fayetteville State Veterans Home experienced a sudden loss in its Rehabilitation Services for physical therapy, occupational therapy, and speech therapy when the provider, Physician's Therapy Group LLC, abruptly termed their services on 4/30/13. Per federal and state regulations, it is essential that the long-term nursing facility provide rehabilitation services to address the critical medical needs of its residents. It would place many residents in immediate jeopardy of life and health if these rehabilitation services were disrupted, even for a short timeframe. We acquired several bids from potential providers and determined that LTC Rehab2 was the vendor that met all of the specific qualifications required.	\$32,390.00
