Cost: \$685,024.00
Funding Source: 100% Federal

Selection: Request for Application
Agreement #: 4600048147

Purpose: Amendment #: Amount: \$

A systems change approach that promotes the use of pharmacists as non-physician members of the health care team to improve health outcomes by brokering a partnership between worksites, communities, pharmacies and primary care proviers. The aim of the project is to train local pharmacists to provide diabetes, heart disease and other chronic disease assessments, counseling and medication therapy management for individual residents and employees at identified worksites, in targeted counties.
