Note: The agency request, executive recommendation and legislative recommendation provide for the 4 additional positions listed above. They are requested as part of a supplemental appropriation for FY14. The positions will be included in the totals for FY15. Also, during the last regular session AR State Police requested and received 25 additional TO22C ASP Corporal positions at grade C121 that were not to start until FY15. This is the reason for the increase from 1041 in FY14 to 1066 in FY15 before any adjustments.
