1 additional contractual services as necessary and that transfers between line
2 items and among appropriations are anticipated to accomplish those purposes.
3 Provided, however, that the Department of Education - Division of Public
4 School Academic Facilities and Transportation shall be limited to submitting
5 no more than two transfer requests during any fiscal year.

6 Determining the maximum number of employees and the maximum amount of
7 appropriation and general revenue funding for a state agency each fiscal year
8 is the prerogative of the General Assembly. This is usually accomplished by
9 delineating such maximums in the appropriation act(s) for a state agency and
10 the general revenue allocations authorized for each fund and fund account by
11 amendment to the Revenue Stabilization law. Further, the General Assembly
12 has determined that the Department of Education - Division of Public School
13 Academic Facilities and Transportation may operate more efficiently if some
14 flexibility is provided to the Director of the Department of Education -
15 Division of Public School Academic Facilities and Transportation authorizing
16 broad powers under the Transfer Authority provision herein. Therefore, it is
17 both necessary and appropriate that the General Assembly maintain oversight
18 by requiring prior approval of the Legislative Council or Joint Budget
19 Committee as provided by this section. The requirement of approval by the
20 Legislative Council or Joint Budget Committee is not a severable part of this
21 section. If the requirement of approval by the Legislative Council or Joint
22 Budget Committee is ruled unconstitutional by a court of competent
23 jurisdiction, this entire section is void.

24 The provisions of this section shall be in effect only from July 1,
25 ~~2012~~ 2013 through June 30, ~~2013~~ 2014.

26
27 SECTION 6. COMPLIANCE WITH OTHER LAWS. Disbursement of funds
28 authorized by this act shall be limited to the appropriation for such agency
29 and funds made available by law for the support of such appropriations; and
30 the restrictions of the State Procurement Law, the General Accounting and
31 Budgetary Procedures Law, the Revenue Stabilization Law, the Regular Salary
32 Procedures and Restrictions Act, or their successors, and other fiscal
33 control laws of this State, where applicable, and regulations promulgated by
34 the Department of Finance and Administration, as authorized by law, shall be
35 strictly complied with in disbursement of said funds.

“ SECTION 49. EMERGENCY CLAUSE. It is found and determined by the General Assembly, that the Constitution of the State of Arkansas prohibits the appropriation of funds for more than a one (1) year period; that the effectiveness of this Act on July 1, 2013, with the exception that Section 46 in this Act shall be in full force and effect from and after the date of its passage and approval, is essential to the operation of the agency for which the appropriations in this Act are provided; and that in the event of an extension of the legislative session, the delay in the effective date of this Act beyond July 1, 2013, with the exception that Section 46 in this Act shall be in full force and effect from and after the date of its passage and approval, could work irreparable harm upon the proper administration and provision of essential governmental programs. Therefore, an emergency is hereby declared to exist and this Act being necessary for the immediate preservation of the public peace, health and safety shall be in full force and effect from and after July 1, 2013, with the exception that Section 46 in this Act shall be in full force and effect from and after the date of its passage and approval. “
