ADVANCED PLACEMENT CREDIT POLICY

The Arkansas Higher Education Coordinating Board has established a set of guidelines by which institutions must award course credit for advanced placement exams. This policy should be implemented by institutions for entering freshman in the Fall 2018 semester.

I. Course Credit. Under this policy, institutions should award course credit to students who score a three (3) or higher on any Advanced Placement (AP) exam. Credit awarded for any AP exam must be applied to the student transcript and, where appropriate, reduce the total number of required degree hours accordingly by either directly satisfying degree or elective requirements. In order to increase transferability, ACTS courses have been assigned to relevant exams.

These courses are outlined in the following section of this policy. This list is maintained by the Division of Higher Education and will be reviewed every five years.

II. Advanced Placement ACTS Courses. The following table maps AP exams to corresponding ACTS courses. AP exams without a corresponding ACTS course listed below should be awarded at the discretion of the institution.

III. Limitations

- 1. Additional Credit. (a)** Institutions will be limited to awarding minimum credit for one corresponding ACTS course listed in the table above to students who score a three (3) on the exam. If in the best interest of the student, institutions may award a higher-level course for a score of three (3).

(b) Institutions may choose to award additional credit for those students who score a four (4) or five (5) on an exam. While transfer institutions are encouraged to accept any additional AP credit awarded, the transfer institution will not be obligated to honor additional credit given beyond the requirement.

(c) Institutions may award additional credit for prerequisite courses when credit is awarded for a higher level sequenced course.
- 2. AP Exam Scores Below Three (3).** In order to maintain consistency and high academic standards in the state, no course credit may be awarded for an AP exam score below a three (3).
- 3. Courses Not Offered.** An institution is not required to award credit for an AP exam if the institution does not offer the corresponding ACTS course.
- 4. Policy Review.** Policy effectiveness based on placement and student success may be reviewed annually by ADHE.
