

METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES -  
OTHER TYPES OF CARE

Revised: July 1, 2020

5. Physician Services

Effective for dates of service on or after July 1, 2020, the immunization administration fee for influenza will be based on the 2020 Medicare flu vaccine administration fee. All other immunization administration fees will be based on Medicare's 2020 physician fee schedule for the State of Arkansas. The rate is paid to all governmental and non-governmental providers unless otherwise specified in the state plan. All rates are published at the agency's website. (<http://medicaid.mmis.arkansas.gov/>).
