Dear Co-Chairs,

Pursuant to Ark. Code Ann. § 25-15-216(b)(4), as amended by Act 595 of 2021, please consider the following Arkansas Department of Health (ADH) Division of Health-Related Boards and Commissions update on rulemaking resulting from Acts of 2021. Arkansas law requires that each rule be promulgated by the specific Board or Commission, which meet at various times of the year. Various regulatory boards under the ADH Division of Health-Related Boards and Commissions are now drafting and amending rules. Please find a summary of the Boards' efforts made thus far below.

Arkansas State Board of Chiropractic Examiners

The Arkansas State Board of Chiropractic Examiners has identified the following Acts to be promulgated and require updates to its rules. Act 135 requires the Board to modify rules regarding the automatic occupational licensure requirements for uniformed services members, returning uniformed services veterans, and their spouses. Act 390 exempts chiropractors performing chiropractic upon animals if the Chiropractor is licensed in this state and certified by the American Veterinary Chiropractic Association. The Board will update its rules. Act 589 regulates procurers. The Board will make updates to its rules to enforce this. Act 748 removes the term "permanently disqualifying offenses." The Board's rules will be amended. Act 762 revises the automatic barriers to licensure, but after review of the Board's current rule, changes will not need to be made.

The Board is drafting proposed changes for the Acts of 2021, and will approve these rule changes as soon as possible. It will submit the proposed rules and documentation to the Arkansas Department of Health (ADH) this month for review. It will then seek the Governor's office

approval. Once that is received, the Board will continue the promulgation process outlined in the Administrative Procedure Act (APA).

Arkansas Board of Dispensing Opticians

The Arkansas Board of Dispensing Opticians has identified the following Acts of 2021 and will be making updates to its rules. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals. This Act requires revisions of the current rule. Act 725 provides an initial fee waiver for those individuals listed in the Act. This requires additional language to be added to the existing rule. Act 746 provides for the licensure of an individual holding a "work permit" if all other licensure requirements have been met and it requires additional language to be added to the existing rule. Act 748 removes the term "permanently disqualifying offenses" in reference to criminal background checks, and it requires revisions of the current rule. Act 811 provides for the licensure of individuals who have completed a Federal apprenticeship program and requires additional language to be added to the existing rule.

The Board has met and approved proposed changes in accordance with the identified Acts of 2021 listed above. The ADH and the Governor's office have reviewed the proposed changes. The Board is seeking public comment and will proceed with the APA process.

Arkansas State Medical Board

The Arkansas State Medical Board has identified the following Acts to be promulgated and will require updating of its rules. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals. Act 503 modifies physician dispensing and requires the Board to work with the State Board of Pharmacy to draft a formulary of medicinal drugs that a pharmacist may prescribe for the treatment of conditions listed in the Act. Act 560 requires rules regarding informed consent for chemical abortions. Act 634 modifies the prescriptive authority of physician assistants. The Board will amend its rules for these. Act 651 mandates co-prescription of an opioid antagonist under certain conditions. The Board will have to promulgate rules for this in coordination with the Pharmacy Board. Act 674 modifies the requirements for the filing of death certificates. Act 725 provides an initial fee waiver for those individuals listed in the Act. This will require the Board to draft new language to comply with this Act. Act 746 provides for the licensure of an individual holding a "work permit" if all other licensure requirements have been met. The Board will need to update language regarding citizenship. Act 748 removes references to "permanently disqualifying offenses. Current rules may need to be amended. Act 803 requires rules regarding a multi-year license for physicians. Act 811 requires rules for licenses that do not require a bachelor's degree or higher to work and earn a paycheck while also fulfilling licensing requirements. Act 829 revises the Telemedicine Act and professional relationship establishment. Act 1101 requires all fees not included in the Arkansas Code to be included in rules. A list of all current licensure fees

and renewal fees will be drafted to meet this requirement. Act 1112 amends current rules regarding medical marijuana and telemedicine. The Board will amend its rule. Act 990 updates all rules with revisions enacted by Act 990 of 2019. This will require the Board to amend its current rules.

The State Medical Board has drafted language and will be seeking the ADH to review. It will then submit its rules to the Governor's office for approval. Upon approval, it will then continue the promulgation process outlined in the Administrative Procedure Act (APA).

Full Independent Practice Committee

The Committee has drafted rules to comply with Act 412 which establishes the processes of the Committee. Act 769 also requires the Committee to draft rules, establishing fees, and develop applications for licensure to be approved by the Full Independent Practice Committee. The Committee has approved proposed rules, and the ADH has reviewed. The Committee will then seek the Governor's office approval and continue the process outlined in the APA.

State Board of Examiners of Alcoholism & Drug Abuse Counselors

The State Board of Examiners of Alcoholism & Drug Abuse Counselors has identified the following Acts that need to be promulgated and will require updating its rules. Act 746 provides for the licensure of an individual holding a "work permit." Act 748 removes the term 'permanently disqualifying offenses' from the Board's rules. Act 725 requires the Board shall waive the initial licensing fee to those individuals that qualify under the Workforce Expansion Act. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals.

The Board has drafted and approved rule changes. The ADH has reviewed the changes and the Governor's office has approved. The Board is seeking public comment and will continue the promulgation process outlined in the Administrative Procedure Act.

Arkansas State Board of Dental Examiners

The Arkansas State Board of Dental Examiners (ASBDE) has identified the following Acts to be promulgated and will require updating of its rules. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals. Act 651 mandates co-prescription of an opioid antagonist under certain conditions. The Board will need to promulgate rules for this after the Medical Board and Pharmacy Board draft language that is approved by their Boards. Act 725 provides an initial fee waiver for those individuals listed in the Act. This will require the Board to draft new language to comply with this Act. Act 746 provides for the licensure of the individual holding a "work permit" if all other licensure requirements have been met. The Rules & Regulations Committee of the Board decided not to go forward with promulgating rules because current laws already allow for the

licensure of an individual with a work permit. Act 748 removes reference to "permanently disqualifying offenses. Act 1011 requires the Board's fees to be listed in its rules.

The ASBDE has approved language to comply with these Acts. The ASBDE staff is in the process of completing the required forms for rule promulgation. It plans to submit the proposed rules and documentation to the Department of Health for review. It will then seek the Governor's office's approval and continue the promulgation process outlined in the Administrative Procedure Act (APA).

Arkansas Psychology Board

The Arkansas Psychology Board has identified the following Acts to be promulgated as rules and require updates to its rules. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals. Act 725 provides an initial fee waiver for those individuals listed in the Act. This will require the Board to draft new language to comply with this Act. Act 746 provides for the licensure of the individual holding a "work permit" if all other licensure requirements have been met. The Board will need to update language regarding citizenship. Act 748 removes references to "permanently disqualifying offenses. Act 767 revises the definition of "originating site," and the Board will draft new language to comply with this Act. Act 829 revises the definition of "professional relationship." Act 883 implements the Psychological Interjurisdictional Compact, and the Board will have to compare the Act to its current rules. Act 968 modifies the definition of continuing education to include volunteer services provided under the Volunteer Health Care Act.

The Psychology Board has reviewed suggested language and approved changes at its November 2021 meeting. The Board has submitted its proposed changes to the ADH. The ADH has reviewed and the Board will continue the promulgation process outlined in the APA.

Arkansas State Board of Optometry

The Arkansas State Board of Optometry has identified the following Acts of 2021 to be promulgated and will require updates to the Board's rules. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals. This requires a revision of current rules. Act 651 mandates the co-prescription of an opioid antagonist under certain conditions. This will require additional rules once the Medical Board and Pharmacy Board promulgate rules. Act 725 provides an initial fee waiver for those individuals listed in the Act. It also requires additional language to be added to existing rules. Act 746 provides for the licensure of an individual holding a "work permit" if all other licensure requirements have been met. This Act requires additional language to be added to the existing rule. Act 748 removes the term "permanently disqualifying offenses" in reference to criminal background checks and requires revisions of current rules. Act 1101 requires all fees not specified by law to be included in Board rules and requires additional language to be added to existing rules.

The Board has drafted and approved changes. The ADH and the Governor's office have reviewed proposed changes. The Board will make further changes regarding Act 651 that is consistent with approved language from the Medical Board and Board of Pharmacy and continue the APA process.

Arkansas State Board of Pharmacy

The Arkansas State Board of Pharmacy has identified the following Acts from the 2021 legislative session, which will require updating its rules. Act 63 of 2021 eliminates the nursing home consultant pharmacist permit and the disease state management credential. Act 135 of 2021 establishes Arkansas occupational licensing of uniformed service members, veterans, and spouses. Act 406 of 2021 allows pharmacists to prescribe, administer, deliver, distribute, or dispense vaccines, immunizations, and medications to treat adverse reactions to administered vaccines. Act 407 of 2021 will authorize pharmacy technicians to administer vaccines and immunizations. The amendments will be addressed in Board Rules 1, 5, and 9. Drafts for updates to Board Rule 1, Board Rule 5 and Rule 9 have been approved by the Board. The ADH has reviewed, and the Board has begun the filing process with legislative committees and public comment.

Act 651 mandates the co-prescription of an opioid antagonist under certain conditions and amends the naloxone access act. The Board of Pharmacy has developed guidance and shared it with the Arkansas Medical Board for consideration. The Board will work with the Arkansas Medical Board and review requested changes before proceeding. Act 922 of 2021 set standards for prescriptions delivery. The Board of Pharmacy is in discussions with interested parties to see how to best proceed with a future rule change regarding this Act. Lastly, the Board intends to follow the language of Act 408, which requires the Board to be thorough in explaining the process for pharmacists to provide oral contraceptives. This includes the use of a statewide protocol which would not require any rule change and the completion of a training program that will need to be approved by the Board of Pharmacy. It is the intent of the Board to work with interested stakeholders towards the statewide protocol and to review training programs that would be presented to the Board for approval.

Act 503 of 2021 allows pharmacists to treat certain health conditions, modifies physician dispensing, and allows delegation of physician dispensing. The Board anticipates that there will be potential changes to Rule 7 and Rule 9 from this Act. Currently, the Board is discussing with interested parties as they explore how best to proceed with these proposed updates. The Board of Pharmacy has also communicated with the Arkansas State Medical Board to begin outlining the Pharmacy Board requirements when filling prescriptions and to assist the Medical Board in promulgating rules that are at least as stringent as the Pharmacy Board.

Arkansas Board of Examiners in Counseling and Marriage & Family Therapy

The Board of Examiners in Counseling has identified the following Acts of 2021 to be promulgated and will require updates to the Board's rules. Act 135 revises military licensure for the purpose of renaming, adding additional qualified persons, and granting exemptions regarding renewals. This requires a revision of current rules.
