RE: Request to exclude Acts 2021, No. 711 from reporting requirement

Dear Legislative Council:

In its *Report on Acts of the 2021 Regular Session Requiring New Rulemaking*, the Bureau of Legislative Research identified Acts 2021, No. 711 as a newly enacted law requiring the promulgation of rules by the Arkansas Teacher Retirement System ("ARTRS").

ARTRS does not intend to repeal, amend, or create a new rule arising out of the provisions of Acts 2021, No. 711.

The rules of the ARTRS currently comply with Acts 2021, No. 711 and the promulgation or repeal of a rule by the system is not necessary for the operation of the act.

As such, ARTRS requests that the Legislative Council exclude Acts 2021, No. 711 from the future reporting requirements of the system.

Please let me know if there are any questions or if you require additional information.

Sincerely,

Jennifer Liwo  
Attorney
