1. The Board shall investigate a complaint if the complaint states prima facie violations of the Dietetics Practice Act or Board rules. The Board Chairman will appoint one or more board members to investigate the complaint.
2. A copy of the complaint will be sent certified mail to the party complained against. The party complained against shall submit a written response to the complaint within a reasonable time as provided by the Board's instructions.
3. The Board investigator(s) will review the response to the complaint. Further investigation will be conducted if deemed appropriate.

SECTION XV. ADMINISTRATIVE HEARING

- A. Scope of this Section - This section applies in all administrative adjudications conducted by the Board. This rule describes the process by which the Board formulates orders (for example, an order revoking a license to practice, or imposing civil penalties).
- B. Presiding Officer - The Board shall preside at the hearing or may designate one or more members of the Board or one or more examiners, referees, or hearing officers to preside at a hearing.
- C. Appearances
 1. Any party appearing in any agency proceeding has the right, at his or her own expense, to be represented by counsel. Alternatively, the respondent may appear on his or her own behalf.
 2. Any attorney representing a party to an adjudicatory proceeding must file notice of appearance as soon as possible.
 3. Service on counsel of record is the equivalent of service on the party represented.
 4. On written motion served on the party represented and all other parties of record, the presiding officer may grant counsel of record leave to withdraw for good cause shown.
- D. Consolidation - If there are separate matters that involve similar issues of law or fact, or identical parties, the matters may be consolidated if it appears that consolidation would promote the just, speedy, and inexpensive resolution of the proceedings, and would not unduly prejudice the rights of a party.
- E. Notice to Interested Parties - If it appears that the determination of the rights of parties in a proceeding will necessarily involve a determination of the substantial interests of persons who are not parties, the presiding officer may enter an order requiring that an

absent person be notified of the proceeding and be given an opportunity to be joined as a party of record.

F. Service of Papers - Unless the presiding officer otherwise orders, every pleading and every other paper filed for the proceeding, except applications for witness subpoenas and the subpoenas, shall be served on each party or the party's representative at the last address of record.

G. Initiation & Notice of Hearing

1. An administrative adjudication is initiated when the agency issues a notice of hearing.
2. The notice of hearing will be sent to the respondent by U.S. Mail, return receipt requested, delivery restricted to the named recipient or his agent. Notice shall be sufficient when it is so mailed to the respondent's latest address on file with the agency.
3. Notice will be mailed at least twenty (20) days before the scheduled hearing.
4. The notice will include:
 - a. Statement of the time, place, and nature of the hearing;
 - b. A statement of the legal authority and jurisdiction under which the hearing is to be held; and
 - c. A short and plain statement of the matters of fact and law asserted.

H. Motions – All requests for relief will be by motion. Motions must be in writing or made on the record during a hearing. A motion must fully state the action requested and the grounds relied upon. The original written motion will be filed with the agency. When time allows, the other parties may, within seven (7) days of the service of the written motion, file a response in opposition. The presiding officer may conduct such proceedings and enter such orders as are deemed necessary to address issues raised by the motion. However, a presiding officer, other than the Board will not enter a dispositive order unless expressly authorized in writing to do so.

I. Answer – A respondent may file an answer to the notice of hearing.

J. Information Provided upon Request

1. Upon written request, the Board will provide the information designated in Ark. Code Ann. § 25-15-208(a)(3).

2. Such requests should be received by the Board at least 10 days before the scheduled hearing.

K. Continuances

1. The Board may grant a continuance of hearing for good cause shown. Requests for continuances will be made in writing. The request must state the grounds to be considered and be made as soon as practicable and, except in cases of emergencies, no later than five (5) days prior to the date noticed for the hearing.

In determining whether to grant a continuance, the Board may consider:

- a. Prior continuances;
 - b. The interests of all parties;
 - c. The likelihood of informal settlements;
 - d. The existence of an emergency;
 - e. Any objection;
 - f. Any applicable time requirement;
 - g. The existence of a conflict of the schedules of counsel, parties, or witnesses;
 - h. The time limits of the request; and
 - i. Other relevant factors.
2. The Board may require documentation of any grounds for continuance.

L. Hearing Procedures

1. The presiding officer presides at the hearing and may rule on motions, require briefs, and issue such orders as will ensure the orderly conduct of the proceedings; provided, however, any presiding officer other than the Board shall not enter a dispositive order or proposed decision unless expressly authorized in writing to do so.
2. All objections must be made in a timely manner and stated on the record.
3. Parties have the right to participate or to be represented by counsel in all hearings or pre-hearing conferences related to their case.
4. Subject to terms and conditions prescribed by the Administrative Procedure Act, parties have the right to introduce evidence on issues of material fact, cross-examine witnesses as necessary for a full and true disclosure of the facts, present

evidence in rebuttal, and, upon request by the agency, may submit briefs and engage in oral argument.

5. The presiding officer is charged with maintaining the decorum of the hearing and may refuse to admit, or may expel, anyone whose conduct is disorderly.

M. Order of Proceedings

The presiding officer will conduct the hearing in the following manner:

1. The presiding officer will give an opening statement, briefly describing the nature of the proceedings.
2. The parties will be given the opportunity to present opening statements.
3. The parties will be allowed to present their cases in the sequence determined by the presiding officer.
4. Each witness must be sworn or affirmed by the presiding officer and be subject to examination and cross-examination as well as questioning by the Board. The presiding officer may limit questioning in a manner consistent with the law.
5. When all parties and witnesses have been heard, parties will be given the opportunity to present final arguments.

N. Evidence

1. The presiding officer shall rule on the admissibility of evidence and may, when appropriate, take official notice of facts in accordance with all applicable requirements of law.
2. Stipulation of facts is encouraged. The agency may make a decision based on stipulated facts.
3. Evidence in the proceeding must be confined to the issues set forth in the hearing notice, unless the parties waive their right to such notice or the presiding officer determines that good cause justifies expansion of the issues. If the presiding officer decides to admit evidence outside the scope of the notice, over the objection of a party who did not have actual notice of those issues, that party, upon timely request, may receive a continuance sufficient to prepare for the additional issue and to permit amendment of pleadings.
4. A party seeking admission of an exhibit must provide ten (10) copies of each exhibit at the hearing. The presiding officer must provide the opposing parties

with an opportunity to examine the exhibit prior to the ruling on its admissibility. All exhibits admitted into evidence must be appropriately marked and be made part of the record.

5. Any party may object to specific evidence or may request limits on the scope of the examination or cross-examination. A brief statement of the grounds upon which it is based shall accompany such an objection. The objection, the ruling on the objection, and the reasons for the ruling will be noted in the record. The presiding officer may rule on the objection at the time it is made or may reserve the ruling until the written decision.
 6. Whenever evidence is ruled inadmissible, the party offering that evidence may submit an offer of proof on the record. The party making the offer of proof for excluded oral testimony will briefly summarize the testimony or, with permission of the presiding officer, present the testimony. If the excluded evidence consists of a document or exhibit, it shall be marked as part of an offer of proof and inserted in the record.
 7. Irrelevant, immaterial, and unduly repetitive evidence will be excluded. Any other oral or documentary evidence, not privileged, may be received if it is of a type commonly relied upon by reasonably prudent men and women in the conduct of their affairs.
 8. The finder of fact may base its findings of fact upon reasonable inferences derived from other evidence received.
- O. Default – If a party fails to appear or participate in an administrative adjudication after proper service of notice, the agency may proceed with the hearing and render a decision in the absence of the party.
- P. Recording the Proceedings – The Board will record the testimony heard at a hearing. Upon the filing of a petition for judicial review, the Board will provide a verbatim transcript of testimony taken before the agency.
- Q. Factors to be Considered in Imposing Sanctions – In addition to any other considerations permitted by the Dietetics Practice Act, if applicable, the Board in imposing any sanction may consider the following:

1. The nature and degree of the misconduct for which the licensee is being sanctioned.
2. The seriousness and circumstances surrounding this misconduct.
3. The loss or damage to clients or others.
4. The assurance that those who seek similar professional services in the future will be protected from the type of misconduct found.
5. The profit to the licensee.
6. The avoidance of repetition.
7. Whether the conduct was deliberate, intentional, or negligent.
8. The deterrent effect on others.
9. The conduct of the individual during the course of the disciplinary proceeding.
10. The professional's prior disciplinary record, including warnings.
11. Matters offered by the professional in mitigation or extenuation, except that a claim of disability or impairment resulting from the use of alcohol or drugs may not be considered unless the professional demonstrates that he or she is successfully pursuing in good faith a program of recovery.

R. Final Order

1. The Board will serve on the respondent a written order that reflects the action taken by the Board. The order will include a recitation of facts found based on testimony and other evidence presented and reasonable inferences derived from the evidence pertinent to the issues of the case. It will also state conclusions of law and directives or other disposition entered against or in favor of the respondent.
2. The order will be served personally or by mail on the respondent. If counsel represents respondent, service of the order on respondent's counsel shall be deemed service on the respondent.

SECTION XVI. DECLARATORY ORDERS

A. Purpose and Use of Declaratory Orders

1. A declaratory order is a means of resolving a controversy or answering questions or doubts concerning the applicability of statutory provisions, rules, or orders over which the Board has authority.
 2. A petition for declaratory order may be used only to resolve questions or doubts as to how the statutes, rules, or orders may apply to the petitioner's particular circumstances.
 3. A declaratory order is not the appropriate means for determining the conduct of another person or for obtaining a policy statement of general applicability from the Board.
 4. A petition or declaratory order must describe the potential impact of statutes, rules, or orders upon the petitioner's interests.
- B. The Petition – The process to obtain a declaratory order is begun by filing with the Board's office a petition that provides the following information:
1. The name, address, telephone number, and facsimile number of the petitioner;
 2. The name, address, telephone number, and facsimile number of the attorney of the petitioner;
 3. The statutory provision(s), agency rule(s), or agency order(s) on which the declaratory order is sought;

Section XVII. THE PRACTICE OF TELEMEDICINE

A. Definitions

1. “Distant site” means the location of the healthcare professional delivering services through telemedicine at the time the services are provided. Ark. Code Ann. §17-80-402(1).
2. “Originating site” means a site at which a patient is located at the time healthcare services are provided to him or her by means of telemedicine, including the home of a patient. Ark. Code Ann. §17-80-402(23).
3. “Remote patient monitoring” means the use of synchronous or asynchronous electronic information and communication technology to collect personal health information and medical data from a patient at an originating site that is transmitted to a healthcare professional at a distant site for use in the treatment and management of medical conditions that require frequent monitoring. Ark. Code Ann. §17-80-402(5).
4. “Store-and-forward technology” means the asynchronous transmission of a patient’s medical information from a healthcare professional at an originating site to a healthcare professional at a distant site. Ark. Code Ann. § 17-80-402(6).
5. “Telemedicine” means the use of electronic information and communication technology to deliver healthcare services, including without limitation the assessment, diagnosis, consultation, treatment, education, care management, and self-management of a patient. Telemedicine includes store-and-forward technology and remote patient monitoring. Ark. Code Ann. § 17-80-402(7).

B. Establishing a Licensed Dietitian/Client Relationship – A licensed dietitian/client relationship must be established in accordance with Ark. Code Ann. §§ 17-80-402 & 403 and Section VII before the delivery of services via telemedicine. A client’s completing a nutrition history online and forwarding it to a licensed dietitian is not sufficient to establish the relationship, nor does it qualify as store-and-forward technology. A licensed dietitian exhibits gross negligence if he or she provides and/or recommends any form of

treatment via telemedicine without first establishing a proper licensed dietitian/client relationship.

C. Minimum Requirements for Licensed Dietitian/Client Relationship – For purposes of this regulation, a proper licensed dietitian/client relationship, at a minimum requires that:

1. The licensed dietitian performs an “in person” nutrition history of the client adequate to establish a diagnosis and develop a treatment plan, OR
2. The licensed dietitian performs a face to face nutrition history using real time audio and visual telemedicine technology that provides information at least equal to such information as would have been obtained by an in-person nutrition history, OR
3. The licensed dietitian knows the client and the client’s general nutrition issues through a previously established professional relationship; AND
4. Appropriate follow-up be provided or arranged, when necessary.

D. When a Licensed Dietitian/Client Relationship is Deemed to Exist – For the purposes of this regulation, a proper licensed dietitian/client relationship is deemed to exist in the following situations:

1. When treatment is provided in consultation with, or upon referral by, another provider or treatment team who has an ongoing relationship with the client, and who has agreed to supervise the client’s treatment, including follow up care.
2. On-call or cross-coverage situations arranged by the client’s treating provider or treatment team.

E. Exceptions – Recognizing a licensed dietitian’s duty to adhere to the applicable standard of care and to comply with mandatory reporting laws, the following situations are excluded from the requirement of this regulation by Ark. Code Ann. § 17-80-403(a)(2):

1. Emergency situations where the life or health of the client is in danger or imminent danger.
2. Simply providing information of a generic nature, not meant to be specific to an individual client.

F. Professional Relationship Exceptions – Under Ark. Code Ann. § 17-80-403(c), “Professional relationship” does not include a relationship between a licensed dietitian and a client established only by the following:

1. An internet questionnaire;
2. An email message;
3. Patient-generated medical history;
- ~~4. Audio-only communication, including without limitation interactive audio;~~
5. Text messaging;
6. A facsimile machine; or
7. Any combination thereof.

G. Requirements for Services Provided VIA Telemedicine – The following requirements apply to all services provided by licensed dietitians using telemedicine.

1. The practice of dietetics via telemedicine shall be held to the same standards of care as traditional in-person encounters.
2. The licensed dietitian must obtain a detailed explanation of the client's medical diagnosis from the client or the client's treating provider or treatment team in order to individualize the nutrition interventions.
3. If a decision is made to provide treatment (medical nutrition therapy), the licensed dietitian must agree to accept responsibility for the(nutrition) care of the client.
4. If follow-up care is indicated, the licensed dietitian must agree to provide or arrange for such follow-up care.
5. The licensed dietitian must keep a documented treatment record, including, but not limited to nutrition history, interventions, and outcomes.
6. At the client's request, the licensed dietitian must make available to the client an electronic or hardcopy version of the client's treatment record documenting the encounter. Additionally, unless the client declines to consent, the licensed dietitian must forward a copy of the record of the encounter to the client's regular treating provider or treatment team if that provider or treatment team is not the same licensed dietitian delivering the service via telemedicine.
7. Services must be delivered in a transparent manner, including providing access to information identifying the licensed dietitian's licensure and other relevant certifications, as well as client financial responsibilities, in advance of the encounter.

8. If the client, at the recommendation of the licensed dietitian, needs to be seen in person, the licensed dietitian must arrange to see the client in person or direct the client to their regular treating provider or treatment team or other appropriate provider if the client does not have a treating provider or treatment team. Such recommendation shall be documented in the client's treatment record.
 9. Licensed dietitians who deliver services through telemedicine must establish protocols for referrals for emergency services.
- H. Scope of Practice – Licensed dietitians may practice dietetics via telemedicine within the definitions found in Section V.

- I. Confidentiality – Licensed dietitians who use technology to facilitate supervision, consultation, or other confidential meetings shall use appropriate precautions to protect the confidentiality of those communications. Precautions to protect confidentiality depend on the type of technology being used, and may include using passwords, firewalls, encryption, and antivirus software; using electronic service providers that rely on standards of security for data that are transmitted and stored; and ensuring a private setting when using their electronic devices.

32
33 SECTION 2. Arkansas Code Title 17, Chapter 1, is amended to add an
34 additional chapter to read as follows:

35 Chapter 4 – Arkansas Occupational Licensing of Uniformed Service Members,
36 Veterans, and Spouses Act of 2021

1
2 17-4-101. Title.

3 This chapter shall be known and may be cited as the "Arkansas
4 Occupational Licensing of Uniformed Service Members, Veterans, and Spouses
5 Act of 2021".

6
7 17-4-102. Legislative findings and intent.

8 (a) The General Assembly finds that:

9 (1) Arkansas sets the bar as a national leader in addressing
10 employment barriers faced by uniformed service members, uniformed service
11 veterans, and their spouses in attaining occupational licensure;

12 (2) Arkansas is one (1) of only four (4) states to successfully
13 address eight (8) or more of the ten (10) issues affecting uniformed service
14 families identified by the United States Department of Defense;

15 (3) Of the United States Department of Defense's ten (10) issues
16 in fiscal year 2020, four (4) of the issues concern occupational licensure of
17 spouses of uniformed service members;

18 (4) Annually, fourteen and a half percent (14.5%) of spouses of
19 uniformed service members move across state lines as opposed to one and one-
20 tenth percent (1.1%) of civilians;

21 (5) States can continue to improve the attainment of
22 occupational licensure and to eliminate barriers impeding employment of
23 spouses of uniformed service members following a move across state lines;

24 (6) Acts 2019, No. 820, established provisions for the granting
25 of automatic occupational licensure or expedited occupational licensure to
26 active-duty service members, recently separated veterans, and their spouses
27 who hold occupational licensure in good standing in another jurisdiction; and

28 (7) Additional steps need to be taken to clarify, simplify, and
29 elevate the occupational licensure process for uniformed service members,
30 uniformed service veterans, and their spouses.

31 (b) It is the intent of the General Assembly to address occupational
32 licensure barriers that impede the launch and sustainability of civilian
33 occupational careers and employment faced by uniformed service members,
34 uniformed service veterans, and their spouses due to frequent uniformed
35 service assignment by:

36 (1) Providing:

1 (A) Automatic occupational licensure or expedited
2 occupational licensure to current license holders to expedite their entry
3 into the workforce of this state;

4 (B) Temporary or provisional licensure to initial
5 licensure candidates while expediting full licensure;

6 (C) Legislative oversight of rulemaking by occupational
7 licensing entities to ensure removal of occupational licensure barriers faced
8 by uniformed service members, uniformed service veterans, and their spouses;
9 and

10 (D) Guidance to assure effective rulemaking and clear
11 license application instructions to uniformed service members, uniformed
12 service veterans, and their spouses;

13 (2) Recognizing uniformed service education, training,
14 experience, and credentials of uniformed service members and uniformed
15 service veterans applying for initial occupational licensure; and

16 (3) Extending licensure expiration and any continuing education
17 required for occupational licensure renewal when a uniformed service member
18 is deployed.

18 Legislative and Military Affairs an annual report stating the number of
19 individuals granted automatic occupational licensure and expedited
20 occupational licensure under this chapter.

21
22 SECTION 3. EMERGENCY CLAUSE. It is found and determined by the
23 General Assembly of the State of Arkansas that current laws and
24 administrative rules regarding the issuance of occupational licenses,
25 certificates, and permits are barriers and create a hardship for uniformed
26 service members, uniformed service veterans, and their spouses; that
27 additional expedited processes, automatic licensure, and extended expiration
28 dates of occupational licenses, certificates, and permits is needed to ensure
29 that uniformed service members, uniformed service veterans, and their spouses
30 may practice their chosen occupation or profession in the State of Arkansas;
31 and that this act is immediately necessary to remove barriers and hardships
32 in obtaining occupational licenses, certificates, and permits for uniformed
33 service members, uniformed service veterans, and their spouses. Therefore, an
34 emergency is declared to exist, and this act being immediately necessary for
35 the preservation of the public peace, health, and safety shall become

1 SECTION 2. Arkansas Code Title 17, is amended to add an additional
2 chapter to read as follows:

3 Chapter 4 – Workforce Expansion Act of 2021

4
5 17-4-101. Title.

6 This chapter shall be known and may be cited as the "Workforce
7 Expansion Act of 2021".

8
9 17-4-102. Legislative findings – Purpose.

10 (a) The General Assembly finds that:

11 (1) Entrepreneurs and workers must pay various fees in order to
12 work in a government-regulated profession or occupation or to start a small
13 business in Arkansas;

14 (2) Families trying to break the cycle of government dependency
15 should not have to pay the state to earn a living; and

16 (3) Arkansas should waive initial fees associated with
17 occupational and professional regulations and the formation of a business for
18 low-income individuals.

19 (b) It is the purpose of this chapter to increase access to
20 professional and occupational licenses that would otherwise be cost
21 prohibitive for certain individuals.

22
23 17-4-103. Definitions.

24 As used in this chapter:

25 (1) "License" means a license, certificate, registration,
26 permit, or other form of authorization required by law or rule that is
27 required for an individual to engage in a particular occupation or

7
8 SECTION 6. EMERGENCY CLAUSE. It is found and determined by the
9 General Assembly of the State of Arkansas that due to the coronavirus 2019
10 (COVID-19) pandemic, the Governor removed barriers to the use of telemedicine
11 in an attempt to combat the coronavirus 2019 (COVID-19) pandemic; that these
12 emergency actions will expire when the emergency proclamation expires, which
13 could occur quickly; that on February 26, 2021, the Governor announced that
14 the public health emergency was extended but that the Governor was going to
15 lift some regulations related to the pandemic; that removing barriers to the
16 use of telemedicine ensured that the citizens of Arkansas had the services
17 that they needed, and removing these emergency proclamations regarding
18 telemedicine would greatly disadvantage and harm the citizens of Arkansas who
19 are utilizing telemedicine for healthcare services; that this bill maintains
20 the policy changes allowed under the emergency proclamation, which would
21 allow the citizens of Arkansas greater access to the use of telemedicine for
22 healthcare services; and that this act is immediately necessary to ensure
23 that the citizens of Arkansas have access to healthcare services provided via
24 telemedicine. Therefore, an emergency is declared to exist, and this act
25 being immediately necessary for the preservation of the public peace, health,
26 and safety shall become effective on:

27 (1) The date of its approval by the Governor;

28 (2) If the bill is neither approved nor vetoed by the Governor,
29 the expiration of the period of time during which the Governor may veto the
30 bill; or

31 (3) If the bill is vetoed by the Governor and the veto is
32 overridden, the date the last house overrides the veto.
