**ARKANSAS INSURANCE DEPARTMENT**  
**Act 595 Monthly Status Report**

I. The following Acts from the 2021 legislative session require rulemaking and were included in the *Report on the Acts of the 2021 Regular Session Requiring New Rulemaking*. The Arkansas Insurance Department (“AID”) will be taking the following rulemaking actions for these Acts:

Act	Rule Name	Rule Number	Summary of Law & Status	Action
Act 665	Pharmacy Audits	118	The purpose of this Rule is to comply with Act 655 of 2021 to issue a required rule to enforce the pharmacy bill of rights as well as to make required rule changes consistent with changes to definitions made this session in Act 655 of 2021, to apply our PBM rule to self-funded plans and also to establish a network adequacy standard consistent with federal law. <b>Status: Pending next Admin. Rules Meeting</b>	Amend Rule
Act 1103	340B Drug Pricing	123	The purpose of this Rule is to simply to comply with Act 1103 of 2021 by issuing a mandated rule to implement Act 1103. The proposed rule simply copies and pastes the statutory code enacted in Act 1103 of 2021. AID is aware of no interpretation of issues or ambiguities at this time needing clarification in a rule. This may change during rulemaking. <b>Status: Public Hearing scheduled for April 14, 2022</b>	Act 1103

II. The following Acts from the 2021 legislative session require rulemaking and were **not** included in the *Report on the Acts of the 2021 Regular Session Requiring New Rulemaking*. However, AID believes rulemaking is needed for the operation of the laws and will be taking the following rulemaking actions for these Acts:

Act 955	Cranio- Facial	111	The proposed Rule implements the new amendments by (1) creating a mechanism to review and evaluate craniofacial services for insurance adjudications; (2) the proposed Rule also permits fees or charges to insurers for evaluations of proposed services to help resource and pay for team efforts to review and approve services; and (3) the proposed Rule also provides needed definitions not in Act 955 of 2021 to help clarify the craniofacial coverage laws. <b>Status: Public Comment ends March 4, 2022</b>	Amended Rule
