Rules for the Law Enforcement Family Relief Fund have been delayed beyond the deadline required by A.C.A. § 25-15-216(b)(5)(A)(ii) due to our efforts to have the rules accurately reflect the legislative intent and the plain language of the Act. This was a lengthier process than we anticipated. We have been receiving feedback from one of the Act's sponsors. We have now completed the rules and have requested to be placed on this Subcommittee's July agenda for approval.
