<input checked="" type="checkbox"/> Required under State or Federal Law: A.C.A. 12-13-105(5)				
Requirement Statement: The State Fire Marshal Enforcement Section of the Department of Arkansas State Police has the responsibility to periodically revise and update the Arkansas Fire Prevention Code.				
Enforce: The Arkansas Fire Prevention Code is used by State, County, and Municipal fire and building code officials across Arkansas to ensure the safety of individuals using and occupying all types of buildings and structures. Adopting a statewide fire and building code provides for consistency and uniformity. Proper use of the AFPC leads to the prevention of many fires, thereby reducing property damage, injuries, and deaths. Authority for promulgation of the AFPC is found at A.C.A. 12-13-105(5). The AFPC is a massive document consisting of 1000s of pages. The most recent revision has been attached to this report, but the entire code can be located by visiting this link: https://codes.iccsafe.org/Arkansas.html/
