<b>Paul Douglas Teacher Scholarship Program Rules</b>				ID#: 1723
Statutory Authority:	Title V Part C, Subpart 1 of the Higher Education Act of 1965, as amended (20 U.S.C. 1104 through 1104K) and administered under 34 CFR Part 653.	10/09/1987	12/07/1987	12/07/1987
<input checked="" type="checkbox"/> Required under State or Federal Law:	ADHE is given authority to administer this federal grant, now repealed.			
Requirement Statement:	The Paul Douglas Teacher Scholarship Program was authorized under Title V Part C, Subpart 1 of the Higher Education Act of 1965, as amended (20 U.S.C. 1104 through 1104K) and administered under 34 CFR Part 653. Both the program statute and regulations have long since been repealed.			
	However, the repealed program regulations allowed the Department to require any reports deemed necessary to make certain that the functions of the Paul Douglas Program were carried out. Section 80.40(b)(1) of the Education Department General Administrative Regulations (EDGAR) states that "... grantees shall submit annual performance reports..."			
	Therefore, each of the former participating state education agencies must provide information on the annual performance report to demonstrate compliance with the program's statutory and regulatory requirements applicable at the time the funds were disbursed.			
Repeal:	This was a federal grant that ADHE administered. It was established in 1965 and has long since been repealed. There remains a federal reporting requirement under 80.40 (b) (1) of the Education Department General Administrative Regulations (EDGAR) that remains in effect. State rules for this non-existent federal scholarship should be repealed.
