Dear Senator Wallace and Representative Hillman:

The Office of Personnel Management (OPM) submits a request for the continuation of previously approved pool positions for the 2022 fiscal year. The requested positions for continuation are attached.

Currently there are three (3) Growth Pools and twenty (20) Surrender Pool positions from seven (7) departments that are not included in the FY22 appropriation acts.

After review of the request, the Office of Personnel Management recommends the approval of the continuation of these previously approved pool positions for FY22. Your consideration of this request is greatly appreciated.

Sincerely,
