Recommendation

Title: Faculty – 12-month
LIM – FY22: \$115,732
Salary – FY22: \$50,000
Institution Match Rate % – FY22: 33%
Institution Match \$ - FY22: \$16,500
Total Compensation FY22: \$66,500
Number of Positions: 4

The Faculty – 12-month positions are requested to move positions into the correct titles to allow accrual of proper benefits and leave to commence and continue to accumulate. Also, more positions are needed for a future trucking program. These inaccurate placements were discovered with the recent computer system conversion. This title is currently used at other institutions.

The Faculty – 12-month positions will provide classroom instruction. He/She will also complete course syllabi. At this time, these positions are in 9-month Faculty slots and annual leave is not able to accrue, and should. These positions are not able to be edited in Workday.

Sincerely,

A handwritten signature in cursive script that reads "Maria Markham".
