Dear Senator Wallace and Representative Hillman:

The Office of Personnel Management (OPM) submits a request for the continuation of all previously approved hazardous duty differentials for FY23 for the Arkansas Department of Correction (including the Department of Community Correction), Department of Human Services and the Health Department. The requested differentials for continuation are attached.

The Arkansas Department of Correction also requests continuation of the 10% Maximum Security Incentive Differential Pay approved in FY22. This subsequent differential will only be paid while an employee continues to work in certain approved areas and has regular exposure of at least 85% of the work time with clear, direct, and unavoidable hazards from inmates who are in units classified as Maximum Security.

The following classifications are eligible for the Maximum Security Incentive Differential Pay:
