They are all equal to the highest paid salary in error instead of the recommended LIM salaries for these titles. All five (5) of the requested positions are to correct the LIM for incumbents whose salaries are more the incorrect LIM in Act 124 of 2017. These titles are currently used by other institutions.

RE: Non-classified Central Pool Request Justification

Henderson State University requests your approval for five non-classified central pool positions. During the finalization of our Appropriation Act 124 of the Regular Session for the 2017-2018 fiscal year, the line item maximums (LIM) for the following positions were erroneously published as amounts equal to the 2016 -2017 budgeted salary of the highest paid employee in the following Project/Program Administrator positions.

Project/Program Director – 2 positions
Project/Program Manager – 1 position
Project/Program Specialist – 2 positions

As a result, actual salaries for these positions are above the LIM. Approval of this request will correct this issue for the current incumbents.

Sincerely,

Glen Jones
President
