A Leader in Social Impact

MTC Overview

- Privately-owned
- Employs more than 9,000
- Management team began in 1966
- Annual revenues exceed \$750 million

MTC Mission Statement

MTC will be a leader in social impact by:

- Preparing youth for employment and citizenship
- Preparing offenders to successfully transition into communities
- Providing quality health care and promoting healthy lifestyles
- Providing greater opportunity for citizens globally through economic and social development
- Investing in communities

MTC Business Lines

- Education & Training
 - Since 1981, MTC is the largest provider of Job Corps facilities serving 14,000 under privileged youth in 21 centers
- Corrections
 - Since 1987, MTC operates 25 prisons in 8 states serving over 32,000 offenders
- MTC Medical
 - Since 2005, MTC serves 20,000 offenders at 16 facilities promoting healthy lifestyles
- Economic & Social Development
 - Since 2004, MTC has helped people worldwide develop skills to build better lives in Iraq, Haiti, South Sudan, Mongolia, West Bank, China, Pakistan, & Tunisia

MTC Corrections Industry Hallmarks

- Well-operated correctional facilities
- Well Trained Staff
- Safe and Secure Facilities
- Programming Philosophy
- Third Party Endorsements

MTC – Design/Build/Finance Experience

- Designed, Built, and Financed 13 major jails and prisons since 1993 worth over \$1 billion
- Provided operational components in all facilities at significant cost savings
- Facilities have been built for diverse customer base that include Counties, States, ICE, FBOP, and US Marshals Service

International Corrections Experience

- Operated the 500 bed Borallon Correctional Centre in Queensland, Australia from 2000-2007
- Managed the first ever private jail contract in Canada from 2001-2006. Housed remand and sentenced prisoners at the 1,500 bed Central North Correctional Centre in Penetanguishine, Ontario
- MTCnovo, a joint venture between MTC and AMEY UK, was awarded a UK contract in November 2014 to provide rehabilitation services to 40,000 probationers and parolees in London and Thames Valley

Medical/Mental Health Experience

- MTC Medical operates 16 contracts at private correctional facilities in Arizona, California, Texas, Arizona, New Mexico, and Florida
- MTC Medical provides:
 - evidence-based clinical care driven by medical necessity and current community practice
 - Appropriate staffing and commitment to staff development
 - Performance measurement and accountability

Step Down/Intermediate Sanction Facilities

- Used as a tool to return probation & parole violators for additional treatment & programming
- Texas operates over 1,000 beds
- Savings come from length of stay and per diem rates
- MTC operates most of the beds at \$30-\$34 per day
- State Prison beds cost \$45-\$47 per day

Step Down/Intermediate Sanction Facilities
