

### **Todd Hudnall Bio**

**Mr. Hudnall is currently the Strategic Sales Executive for WebMD Health Services, responsible for the government segment. He brings WebMD over 14 years of state and local government experience, both working in the public and private sectors, having worked for two governors in West Virginia.**

**He is currently responsible for new growth within the government channel for WebMD and regularly provides best-practices and insights for government clients to improve population health and wellness outcomes with the goal to provide long-term State savings. Prior to joining WebMD, Mr. Hudnall led the state and local government segment for Cardinal Health, a Fortune Top 50 organization. During his tenure he was responsible for managing contracts across 30 states as well as increased new revenues for the Company in excess of \$100 million in only three years.**
