

INTERIM STUDY PROPOSAL 2021-126

1
2
3 REQUESTING THE ARKANSAS LEGISLATIVE COUNCIL REFER TO THE HOUSE
4 COMMITTEE ON INSURANCE AND COMMERCE A STUDY ON THE IMPACT OF THE
5 FORMATION OF INSURANCE NETWORKS FOR AIR AMBULANCE AND GROUND
6 AMBULANCE SERVICES ON CURRENT PROVIDERS, PATIENTS, AND THE
7 ARKANSAS TRAUMA SYSTEM.
8

9 WHEREAS, in the fall of 2021, federal laws and regulations were enacted to protect consumers
10 from unanticipated medical billing; and
11

12 WHEREAS, these laws and regulations require insurance companies to create insurance
13 networks for air ambulances for the insurance policies that the insurance companies offer; and
14

15 WHEREAS, although the federal requirement for network providers is limited to air ambulances,
16 some insurance companies in Arkansas are attempting to rapidly form insurance networks for ground
17 ambulance services; and
18

19 WHEREAS, the Senate Committee on Public Health, Welfare, and Labor and the House
20 Committee on Public Health, Welfare, and Labor recently heard testimony from ground ambulance
21 providers regarding the precarious situation of the ground ambulance industry which includes the closing
22 of several ambulance providers across Arkansas and the need of additional city or county tax dollars to
23 maintain ground ambulance services in many areas; and
24

25 WHEREAS, the details of the insurance networks for ground ambulance services being
26 established by insurance companies are unclear, including without limitation:

27 (1) How insurance companies plan to follow current franchise agreements, which is how
28 ambulance services are delivered throughout Arkansas;

29 (2) Whether an insurance network for ambulance services can override an existing city's
30 or county's franchised emergency medical services provider agreement for ambulance transportation in
31 those areas; and

32 (3) Whether an insurance company is taking into consideration the rates, fees, charges,
33 and other criteria outlined in the Ambulance Licensing Act, § 14-266-101 et seq., for each individual
34 franchised area when creating the insurance networks for ground ambulance services; and
35

1 WHEREAS, in order to protect the health and safety of the citizens of this state, the General
2 Assembly should quickly and closely examine the impacts of insurance networks on ambulance services
3 and providers in this state,
4

5 NOW THEREFORE,

6 BE IT PROPOSED BY THE ARKANSAS LEGISLATIVE COUNCIL OF THE NINETY-THIRD GENERAL
7 ASSEMBLY:
8

9 THAT the Arkansas Legislative Council refer to the House Committee on Insurance and
10 Commerce a study on the impact of the formation of insurance networks for air ambulance and ground
11 ambulance services on the current providers, patients, and the Arkansas trauma system, including
12 determining whether the State Insurance Department should establish network adequacy requirements
13 for ground ambulance networks.
