million
donated annually to
community organizations

Cox is the nation's third-largest broadband communications company, serving nearly 160,000 subscribers in Arkansas. Our advanced broadband, fiber-optic network has become the conduit through which we deliver a wide range of advanced communications services. At Cox, our philosophy is to make a difference in the communities where we live and serve. Cox is committed to Arkansas in the following ways:

\$59 million
spent annually with
Arkansas contractors
and vendors

\$4.6 million
paid annually in municipal
franchise fees

\$19 million
paid annually in payroll taxes
and employee wages

\$40 million
spent in capital investments
for our network in
2017
