DETAILS

CONTRACT	IAM Implementation for DHS Applications: Signed by Dick Wyatt on 3/21/14
CONTRACT FOCUS	The State of Arkansas – Department of Information Systems (DIS) engaged Ilantus to implement Identity and Access Management solution for Department of Human Services (DHS). Currently DIS has CA IdentityMinder and CA SiteMinder implemented for enabling Identity and Access Management for application belonging to Department of Education. Ilantus collaborated with DIS to implement the Single Sign On to DHS Curam application along with provisioning and self-service features for External Users. This was implemented for Eligibility Enrollment Forum (EEF) framework.
TERMS OF CONTRACT	\$195,318 on T&M basis
ORIGIN: contracted with DHS or DIS	Contract signed with DHS via CAI based on recommendation by DIS
COORDINATION with DIS	The complete project was executed in collaboration of DIS project manager (Bhuma Mohan). All communication with DHS was performed via DIS
PROJECT MANAGERS	DIS PM: Bhuma Mohan Ilantus PM: Bhavesh Parekh
MILESTONES THAT WERE STATED and when met	Requirements: 5/22/14 Design: 6/16/14 Development: 10/24/14 User Acceptance Testing (UAT): 3/20/15 Production Rollout: 3/23/15

ILANTUS

MILESTONES THAT WERE NOT MET/WHY	DIS and Ilantus were ready for UAT and production rollout in October 2014, as planned, but because of delays on the Curam project, User Acceptance Testing phase was extended by 4 months and Production Rollout was delayed till March 2015
