

ARKANSAS PUBLIC EMPLOYEES RETIREMENT SYSTEM

REGULATION 203 - 1957 (as amended November 2012) DISABILITY RETIREMENT

Disability retirement for a member of PERS can be approved in one of two ways: Before a member can be approved for disability retirement from PERS, he/she must first apply and be approved by **either** Social Security **or by the Federal Railroad Retirement Board** for disability benefits. If a member is approved for disability payments, then the member shall furnish proof to PERS of such approval and the member, who is otherwise eligible under State retirement law, will automatically be approved for PERS benefits retroactive to the date that benefits would have become payable under law.

Should the member not be approved for Social Security **or for Railroad Retirement** disability payments, the member, after having been denied Social Security **or Railroad Retirement** through the Administrative Law Judge appeal level, may appeal directly to the Board of Trustees. The member shall furnish physician (s) statements and other medical documentation, obtained at the member's expense, to the APERS Medical Review Board (MRB) for evaluation. The MRB shall be composed of physicians approved by the Board. The results of the MRB evaluation shall be presented to the Board for final consideration.

Members applying under Act 868 of 1999 shall submit copies of physician (s) statements and other medical documentation, obtained at the member's expense, to the MRB for evaluation. The results of the MRB evaluation will be presented to the Board of Trustees for final consideration.

After retirement on disability, the member will be reviewed by Social Security **or Railroad Retirement** if receiving benefits from **either** agency, and the member will have to furnish APERS with a copy of the Social Security **or Railroad Retirement** findings.

In those instances where a disability retirant is working, determination as to whether remuneration is substantially gainful, as referenced A.C.A. 24-3-208, shall be based on guidelines used by the Social Security Administration for the SSDI program.
