WORKING TOGETHER
to end hunger

BE PART OF THE EFFORT

According to the Hunger in Arkansas 2010 Report, Arkansas has the third highest incidence of hunger in the nation. When our fellow Arkansans are without enough to eat, we all suffer. The Arkansas Hunger Relief Alliance is the voice for a collaborative network of food banks, hunger relief organizations and advocates across Arkansas working to end hunger. We invite you to join us in our mission of providing direct relief, education and advocacy to end hunger in Arkansas.
