DID YOU KNOW?

Eating breakfast gives you energy to play and have fun all day long. It also helps you focus and do better in school.

Hint: You may need to think about each ingredient of some foods. For instance, a breakfast burrito may have beans, cheese, and a tortilla — all different food groups!

Now color in each food group you listed on the MyPlate picture below!

It's good to eat from every food group, every day!

Circle the food groups on the MyPlate picture that you still need to eat from today.

Write or draw in ideas of foods you might eat today from these groups!

Try making this quick and healthy breakfast at home on the weekend. Ask a friend or family member to join in on the fun!

Yogurt Parfait

Chef Joyce Roland • Seattle, Wash.

Serves 3, 1 parfait per serving

Prep time: 10 minutes • Cook time: None

Ingredients

2 cups fresh or thawed frozen fruit, such as bananas, strawberries, peaches, or mango

1½ cups nonfat plain yogurt

¾ cup granola

Optional Ingredients

1 Tablespoon sliced almonds

Materials

3 cups or bowls

Cutting board

Measuring cups

Measuring spoons

Sharp knife

TIP: Wash and cut up your fruits the night before. Then make this easy breakfast the next morning in under 5 minutes!

Directions

1. If using fresh fruit, rinse, peel, and/or trim as needed. If using thawed frozen fruit, drain any extra juices. Cut fruit into ¼-inch thick slices. There should be about 1½ cups total.
2. Layer ¼ cup yogurt into each of 3 cups or bowls. Top with ¼ cup sliced fruit and 2 Tablespoons granola.
3. Repeat layers one more time, ending with a layer of granola.
4. If using, top with sliced almonds.

Chef's Notes

- Layer parfait just before serving to keep granola crunchy.
- Use any high-fiber cereal you like instead of granola.
- To save money, use fresh fruits that are in season. When seasonal fruits are hard to find, use thawed frozen fruit.
- Use leftover fruit to sweeten low-sugar cereal the next morning. Or, eat it for an afternoon snack.
