* Total Inmate days and state inmate days could not be verified
 ** Total inmate days could not be verified

* Could not verify state inmate days or total inmate days. Daily inmate cost was computed using days reported by County.
 in addition, Miller also used the same number for total inmate days and for state inmate days.
 ** Could not verify total inmate days, daily cost was calculated using days reported by the county, which was total beds (10) multiplied by days in the year (365).
