(4) Alternate members of the Legislative Council shall have the same subcommittee assignments as regular members, but shall serve on the subcommittees only upon absence of regular members. However, an alternate member shall not serve as a chair or vice chair of the subcommittee except upon becoming a regular member. When it becomes apparent that a regular member of the Legislative Council will no longer be serving as a member of the Legislative Council, his or her alternate, upon becoming a regular member, may request new subcommittee assignments.

(A) Members of the subcommittee;

(B) Alternate members of the subcommittee; and

(C)(i) Legislators who are not members of the subcommittee.

(4) Motions shall only be recognized when made by members of the subcommittee or their alternates.

**(i) Powers of Subcommittees.**

(1) A subcommittee of the Legislative Council shall consider only those matters that have been duly referred to it by the Legislative Council.

(ii) The report shall be filed with the Director of the Bureau of Legislative Research at least six (6) days in advance of the next regular meeting of the Legislative Council and placed on the agenda of the meeting.

(iii) If the Legislative Council approves the investigation by a two-thirds (2/3) vote of the entire membership, the investigation may be undertaken by the subcommittee within such limits as the Legislative Council may direct.

**(j) Bypassing Subcommittee Review.**

(1) All matters that fall under the jurisdiction of the Legislative Council subcommittees, as set forth in this Rule 5, shall be presented to the subcommittees rather than being brought directly to the Legislative Council.

(2)(A) In order for a matter usually referred to a Legislative Council subcommittee to receive direct review or approval by the Legislative Council, there must first be a vote to suspend the rules of the Legislative Council under Rule 17.(c). Upon passage of the motion to suspend the rules, the Legislative Council may hear the matter directly.

(B) This option shall only be exercised upon a showing that there is an imminent need for review or approval such that the matter cannot be delayed until the next regularly scheduled meeting of the appropriate subcommittee.

(k) **Special Events.** The Legislative Council and its subcommittees shall not participate in special events, as defined in Article 19, § 30 of the Arkansas Constitution.

(b) The Co-Chairs may cancel any regular meeting date upon six (6) days' notice to the members.

(c) Special meetings may be called, at such additional times as may be deemed desirable, by the Co-Chairs upon six (6) days' notice thereof, upon vote by the Legislative Council at a meeting of the Legislative Council, or by written request of a majority of the members of the Legislative Council.

(d) All meetings of the Legislative Council shall be open to the public except that executive sessions may be held as authorized by law.

**8. Quorum and Action.**

(a)(1) **Legislative Council Meeting.** A majority of the members of the Legislative Council, or their alternates, shall constitute a quorum for the transaction of all business. A quorum is the minimum number of members or alternates necessary to conduct business. As the number of members or alternates present exceeds the minimum for a quorum, the number present becomes the quorum, (e.g. If a majority of the members is 30, but 47 members are present, then 47 is the quorum.)

(2) Except as otherwise provided by these rules, an affirmative vote of a majority of the members present shall be required for any issue or matter. A majority of

the members present, when the members present represent less than a quorum may not effectively take action.

(3)(A) Upon the request of any three (3) members of the Legislative Council, a separate vote of House of Representatives members and Senate members shall be taken on any issue or matter before the Legislative Council and, except as otherwise provided by these rules, approval of a majority of the members present when a quorum is present from the House of Representatives and a majority of the members present when a quorum is present from the Senate shall be required for the issue or matter.

(B) If the vote required to take action on a matter requires anything other than a majority of the members present, that amount required to take action will be the amount required for each house in a separate vote (e.g., Suspension of the rules requires an affirmative vote of two-thirds (2/3) of a quorum. In a separate vote of the houses, suspension of the rules would require an affirmative vote of two-thirds (2/3) of a quorum of the members of the House of Representatives and two-thirds (2/3) of a quorum of the members of the Senate.)

(C) A request for a separation of the vote may be combined with a request for a roll call.

(b) **Legislative Council Subcommittee Meeting.** A majority of the membership of a subcommittee of the Legislative Council shall constitute a quorum, and except as otherwise provided by these rules, an affirmative vote of a majority of the members present of a subcommittee of the Legislative Council shall be necessary for action on any matter. The Senate Co-Chair and Vice-Chair and the House of Representatives Co-Chair and Vice-Chair of the Legislative Council shall only be counted towards the membership number necessary for a quorum of the Subcommittee when present at the time that action is being taken by the Subcommittee.

## **9. Motions/Objections.**

(a) **Motion to Reconsider.** A motion to reconsider a proposition that has been made and carried or lost shall only be made by a member who voted in the majority of the vote on the proposition. The vote on a proposition may once be reconsidered by a majority vote of the total membership of the Legislative Council, but once a vote has been taken to reconsider, a further motion to reconsider is not in order. A motion to reconsider shall only be taken up within the same meeting as the vote which is the subject of reconsideration.

(b) **Motion to Expunge.** The record on any action taken by the Legislative Council may be expunged by a two-thirds (2/3) vote of the total membership of the Legislative Council.

(c) **Second to Motions Required.** Action may only be taken by the Legislative Council after a motion and a second have been recognized by the Legislative Council Co-Chairs, the Co-Vice Chairs, or the Co-Chair designee.

(d) **Substitute Motions.** A substitute motion to a main motion may be made and shall be considered prior to consideration of the main motion. A substitute to the substitute motion shall be allowed and considered prior to consideration of the original substitute motion and the main motion. However, a substitute motion to the third degree shall never be permitted.

(e) **Objections.** An objection to consideration or to the Chair's ruling must be made immediately following the motion or ruling. It may be made when another has

the floor but must be made before debate or voting has begun, and before any action has been taken.

**10. Roll Call.** A roll call shall be taken upon any question upon demand of three (3) members. A request for a roll call may be combined with a request for a separation of the vote between the members of the House of Representatives and the members of the Senate.

**11. Agenda.** On or before six (6) days prior to the date of any meeting of the Legislative Council, the Executive Secretary shall prepare and make available to each member of the Legislative Council the agenda or program to be considered at the meeting.

**12. Proposals, Resolutions and Memorials.**

(a) Matters of legislative and governmental interest may be brought to the attention of the Legislative Council in three (3) ways:

(1)(A) **Proposals.** Those matters that call for study and research by the Legislative Council or an interim committee should be submitted in the form of a proposal. Any member of the General Assembly may submit a proposal. Each proposal shall bear a descriptive title, and bear the name of the sponsor.

(B) Proposals must be filed with the Executive Secretary at least six (6) days before the meeting at which they are to be considered. New proposals shall not be accepted by the Legislative Council after the August meeting of the second year of the biennium.

(C)(i) Proposals shall be filed in or referred to the interim committee to which the subject matter of the proposal is germane. Identical proposals or substantially identical proposals shall be filed in or referred to only one (1) interim committee.

(ii) If identical or substantially identical proposals are filed in more than one (1) interim committee, the Policy-Making Subcommittee shall make the determination as to which interim committee the subject matter of the proposals is most germane. If the subject matter of the identical or substantially identical proposals can be considered germane to more than one interim committee, the interim committee that adopted the proposal first will retain the proposal.

(iii) The sponsor of each of the identical or substantially identical proposals shall be a non-voting ex officio member of the committee that retains the proposal for study under subdivision (a)(1)(C)(ii) of this section for the purposes of that study.

(2)(A) **Resolutions.** Those matters that call for the consensus of the Legislative Council on a particular subject or that urge an official or body such as the United States Congress to take or not take certain actions or adopt a certain policy, should be submitted in the form of resolutions and may be submitted by any member of the General Assembly.

(B) Resolutions must be filed at least six (6) days in advance of the meeting at which they are to be considered.

(3) **Memorials.** Memorials that pay tribute to the memory of a deceased person may be submitted to the Legislative Council by any member of the General

Assembly at any time without prior approval.

(b)(1) Under the heading "New Business" in the Order of Business, Rule 3, announcements may be made, and any member of the Legislative Council shall be privileged to bring up for discussion routine matters or proposals for future consideration or action.

(2) The matters, however, shall be regarded as suggestions only, and must be brought within the requirements of this Rule 12 requiring proposals, resolutions, and memorials to be reduced to writing and presented formally before final consideration.

### **13. Study and Report.**

(a) Each study proposal referred to the Legislative Council by the General Assembly, or on request of a member or members of the General Assembly, and each study undertaken by the Legislative Council on its own motion, shall be the subject of such research and recommendation as the Legislative Council may determine.

(b) The House of Representatives Co-Chair and the Senate Co-Chair, or the Legislative Council, shall refer study proposals to the appropriate joint interim committee or the appropriate standing Legislative Council subcommittee in accordance with Arkansas Code § 10-3-313(b)(1)(B) whenever a committee or subcommittee study is deemed appropriate.

(c) The Bureau of Legislative Research shall compile the information and prepare drafts of proposed legislation in connection with each study as may be directed by the Legislative Council or appropriate interim committee or the Legislative Council subcommittee to which the study was referred.

(d)(1) Each Legislative Council subcommittee shall consider each matter referred to it and shall report to the Legislative Council with respect thereto at the earliest possible date.

(2) The Legislative Council shall report the findings and recommendations to the General Assembly in connection with each matter submitted to it for study as the Legislative Council may determine to be informative and advisory to the General Assembly.

(e) Whenever any member of the General Assembly, who is not a regular member of the Legislative Council, presents a study proposal to the Legislative Council, the member of the General Assembly shall be privileged to appear before the Legislative Council on one (1) occasion and explain the purpose of the study, and shall be entitled to draw per diem and mileage therefor at the same rate as authorized by law for regular Legislative Council members.

### **14. Reports by the Bureau of Legislative Research.**

(a) Reports by the Bureau of Legislative Research shall be impartial and comprehensive, and shall set out clearly such relevant information as may be useful to the interim committees, the Legislative Council and the General Assembly on each proposal studied.

(b) A copy of each report made by the Bureau of Legislative Research shall, upon completion, be made available to members of the General Assembly, the governor, and other persons as may be designated by the Legislative Council, upon their request therefor.

**15. Legislative Institute.** During the fall preceding each regular session of the General Assembly, the Legislative Council, together with the Senate, the House of Representatives, and the Legislative Joint Auditing Committee, shall sponsor and conduct a Legislative Institute for the purpose of:

- (a) Training new members in parliamentary procedure and bill drafting techniques;
- (b) Acquainting them with the work of the Legislative Council and the Bureau of Legislative Research, the Legislative Joint Auditing Committee and its staff, and other agencies established to assist legislators; and
- (c) Other related matters.

**16. Emergency Action.**

(a) **State Agency Request for Emergency Action.** Whenever a matter that requires Legislative Council review, approval, or advice is filed with the Legislative Council office for consideration at the next regular meeting of the Legislative Council, or the subcommittee to which the matter is normally referred, and the Chief Fiscal Officer of the State states, in writing, that the matter requires immediate action, the Co-Chairs of the Legislative Council may institute "Emergency Action Procedures" for the consideration of the matter, if they determine that it is in the best interest of the agency, or that immediate action is essential to enable the agency to perform essential services.

(b) **Executive Subcommittee Request for Emergency Action.** Whenever a matter is decided by the Executive Subcommittee of the Legislative Council that requires final review or approval of the Legislative Council, and it is determined by the members of the Executive Subcommittee that the matter requires immediate action, the Co-Chairs of the Legislative Council may institute "Emergency Action Procedures" for the consideration of the matter, if they determine that delaying the matter until the next regularly scheduled meeting of the Legislative Council would be detrimental to the entity(ies) involved in the matter being decided.

(c) "Emergency Action Procedures" shall consist of:

(1) The Co-Chairs of the Legislative Council determining that there is sufficient justification to consider the matter by Emergency Action Procedures;

(2) Consideration of the matter by the Co-Chairs of the Legislative Council, and the co-chairs of the subcommittee to which the matter is normally presented for review; and

(3) The co-chairs of the affected subcommittee and the Co-Chairs of the Legislative Council are unanimous in their evaluation that emergency review, approval, or advice is advisable, then the House of Representatives Co-Chair and Senate Co-Chair may act on behalf of the Legislative Council in regard thereto.

(d) All matters considered under the emergency procedures shall be reported in writing to the Legislative Council at its next regular meeting.

**17. Legislative Council Rules.**

(a) The rules of the Legislative Council may be adopted by an affirmative separate vote of a majority of the members of the House of Representatives and a majority of the members of the Senate.

(b) The rules of the Legislative Council may be amended by an affirmative separate vote of two-thirds (2/3) of the members of the House of Representatives and two-thirds

(2/3) of the members of the Senate. Amendments to the rules may be made after six (6) days' written notice of intent thereof.

(c) The rules of the Legislative Council may be suspended by an affirmative vote of two-thirds (2/3) of a quorum, or, if a separate vote is requested, affirmative vote of two-thirds (2/3) of a quorum of the members of the House of Representatives and two-thirds (2/3) of a quorum of the members of the Senate.
