10 LEASING ACT; CREATING CERTAIN DEFINITIONS; DEFINING
11 CERTAIN TERMS; TO REQUIRE CERTAIN DISCLOSURES IN ALL
12 CONSUMER MOTOR VEHICLE LEASES; TO PROVIDE PENALTIES

Act

17
18
19 "THE ARKANSAS CONSUMER MOTOR VEHICLE
20 LEASING ACT. "

21
22
23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

24
25 SECTION 1. Definitions. As used in this act, unless the context
26 otherwise requires:

27 (1) "Adjusted capitalized costs" means the agreed upon amount that
28 serves as the basis for determining the periodic lease payment, computed by
29 subtracting from the capitalized costs any capitalized costs reduction;

30 (2) "Capitalized costs reduction" means any payments made by cash,
31 check, rebates, or similar means that are in the nature of a down payment made
32 by the lessee and any net trade-in allowance granted by the lessor at the
33 inception of the consumer lease for the purpose of reducing the capitalized
34 costs, but does not include any periodic lease payments due at the inception
35 of the lease or all of the periodic lease payments if they are paid at the
36 inception of the lease;

1 (3) "Consumer lease" means a transaction through which the possession
2 or use of a motor vehicle for a commission or other compensation is
3 transferred to a lessee primarily for a personal, family, or household purpose
4 for a period of time exceeding four (4) months, including renewal periods;
5 whether or not the lessee has the option to purchase or otherwise become the
6 owner of the property at the expiration of the lease. The inclusion in a
7 lease of a provision whereby the lessee's or lessor's liability at the end of
8 the lease period or upon an earlier termination, is based on the value of the
9 leased property at that time, shall not be deemed to make the transaction
10 other than a consumer lease. The term "consumer lease" does not include a
11 lease for governmental, agricultural, business, or commercial purposes;

12 (4) "Gross capitalized costs" means the amount agreed upon by the
13 lessor and the lessee as the value of the leased property and any items which
14 are capitalized or amortized during the leased term. The adjusted capitalized
15 cost equals the gross capitalized cost less the capitalized cost reduction,
16 and is the amount used by the lessor in calculating the base periodic payment.

17 Gross capitalized costs shall include, to the extent capitalized and
18 amortized:

19 (A) Taxes, registration, license, acquisition, administration,
20 assignment, and other similar fees;

21 (B) Charges for insurance, an extended warranty, mechanical
22 repair contract, service contract, vehicle maintenance agreement, and any
23 other similar charge;

24 (C) Charges for a waiver of the contractual obligation to pay the
25 gap amount;

26 (D) Charges for accessories and installation of accessories;

27 (E) Charges for delivering, servicing, repairing or improving the
28 vehicle;

29 (F) Charges for other goods, services and benefits incidental to
30 the consumer in the lease transaction; and

31 (G) The unpaid balance of any amount financed under an
32 outstanding vehicle loan agreement or vehicle retail installment contract or
33 the unpaid portion of the early termination obligation under any lease or
34 obligation of the lessee with respect to a vehicle or other property traded in
35 connection with a consumer lease.

36 (5) "Lessee" means a natural person who leases or is offered a motor

1 vehicle consumer lease;

2 (6) "Lessor" means a person who regularly leases or offers to lease
 3 motor vehicles. A person who has leased, offered, or arranged to lease motor
 4 vehicles more than five times in the preceding calendar year or more than five
 5 times in the current calendar year is subject to this act; and

6 (7) "Motor vehicle" or "vehicle" means any self-propelled vehicle
 7 licensed, purchased, or leased in this state and primarily designed for the
 8 transportation of persons or property over the public streets and highways,
 9 but does not include mopeds, motorcycles, or vehicles over ten thousand pounds
 10 (10,000 lbs.) gross vehicle weight rating. For purposes of this definition,
 11 the limit of the ten thousand pounds (10,000 lbs.) gross vehicle weight rating
 12 does not apply to motor homes.

13
 14 SECTION 2. Required Disclosures.

15 (a) A consumer lease of a motor vehicle shall include:

16 (1) The total amounts of any payments to be paid by the lessee at
 17 the consummation of the lease including, but not limited to:

 26 costs and the respective amount of each component;

27 (E) A statement of adjusted capitalized costs; and

 31 tax exemption;

 33 company;

34 (3) The total of all lease payments to be paid over the terms of
 35 the lease; and
