23 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF ARKANSAS:

24
25 SECTION 1. Arkansas Code Title 6, Chapter 60, Subchapter 2 is amended
26 to add an additional section to read as follows:

27 6-60-212. Admissions – Applicants from medically underserved areas.

28 (a) In an effort to address health disparities and the current
29 shortage of nursing professionals in the state, each board of trustees of a
30 publicly supported institution of higher education may establish a program
31 under which additional consideration in admission to the institution and to
32 the nursing or health career program is given to an applicant from a rural,
33 medically underserved area of the state who is interested in pursuing a
34 nursing or other health care career in a rural, medically underserved area of
35 the state.

1 (b) The program for additional consideration under subsection (a) of
2 this section may include, without limitation, the following measures:

3 (1) Early targeting of potential candidates from rural,
4 medically underserved areas of the state who are interested in nursing and
5 other health care professions, including junior high school, high school,
6 two-year college, and four-year college students;

7 (2) Recruitment and guidance of individuals from rural,
8 medically underserved areas of the state who are interested in pursuing
9 nursing and other health care professions in rural, medically underserved
10 areas;

11 (3) Offering programs to prepare identified nursing and other
12 health career candidates from rural, medically underserved areas of the state
13 for meeting admission requirements to a postsecondary nursing program,
14 including, without limitation, preparatory programs offered with the aid of
15 video and distance learning tools; and

16 (4) Providing that individuals from a rural, medically
17 underserved area of the state who are interested in a nursing or other health
18 care profession receive an equal opportunity for success.

19 (c) Upon request, the Arkansas Board of Higher Education shall provide
20 assistance to publicly supported institutions of higher education in
21 implementing programs offered under § 6-60-212.

22 (d) The Board of Higher Education shall report annually to the House
23 and Senate Interim Committees on Public Health, Welfare and Labor regarding
24 implementation of this section.

25
26 SECTION 2. Arkansas Code Title 17, Chapter 87, Subchapter 4 is amended
27 to add an additional section to read as follows:

28 17-87-403. Nursing recruitment and admission.

29 Upon request, the Arkansas State Board of Nursing shall provide
30 assistance to publicly supported institutions of higher education in
31 implementing programs offered under § 6-60-212.
