15 (H) Class Eight – (i) In order to aid in the development

 17 forestry in Arkansas and in order to eliminate apparent inequities in license  
 18 charges for vehicles using only improved roads and those used primarily on  
 19 the farm, for timber harvesting or forestry, in the wooded areas, and off the  
 20 main highway system of this state, a special classification is created to  
 21 provide a different and more equitable rate for those vehicles used  
 22 exclusively for the noncommercial hauling of farm or timber products produced  
 23 in this state and for hauling feed, seed, fertilizer, poultry litter, and  
 24 other products commonly produced or used in agricultural operations or for  
 25 hauling animal feed by owners of livestock or poultry for consumption in this  
 26 state by livestock or poultry owned by them and for those vehicles used in  
 27 hauling unfinished and unprocessed forest products and clay minerals and ores  
 28 originating in Arkansas from the point of severance to a point in the state  
 29 at which they first undergo any processing, preparation for processing,  
 30 conversion, or transformation from their natural or severed state.  
 31 Notwithstanding any provision of this subdivision (a)(3)(H) to the contrary,  
 32 farmers may transport cotton seed from the gin or warehouse to the first  
 33 point of sale under this special classification. Rock or stone or crushed  
 34 rock or crushed stone, except rock or stone which is to undergo further  
 35 processing into a finished or semifinished product other than crushed rock or  
 36 crushed stone, shall not be construed as "clay minerals" or "ores" under the

1 provisions of this classification. Notwithstanding any provision of this  
2 subdivision (a)(3)(H) or any other law to the contrary, persons in the timber  
3 harvesting or forestry industries who transport wood waste, wood chips, or  
4 wood dust from a mill or a temporary location may transport the wood waste,  
5 wood chips, or wood dust from the mill or the temporary location to a  
6 destination for further processing under this special classification.

7 (ii) The annual license fees for vehicles classified  
8 as natural resources vehicles shall be as follows:

9 (a) For a vehicle with two (2) axles, a fee of  
10 three dollars and ninety cents (\$3.90) per one thousand pounds (1,000 lbs.)  
11 of gross loaded weight of the vehicle, with a minimum fee of thirty-two  
12 dollars and fifty cents (\$32.50) and a maximum fee of sixty-five dollars  
13 (\$65.00) for each vehicle;

14 (b) For a vehicle with three (3) axles, a fee  
15 of ninety-seven dollars and fifty cents (\$97.50);

16 (c) For a vehicle with four (4) axles, a fee  
17 of one hundred thirty dollars (\$130);

18 (d) For a vehicle with five (5) axles, a fee  
19 of one hundred sixty-two dollars and fifty cents (\$162.50);

20 (e) For a vehicle with five (5) axles used  
21 exclusively by the owner of livestock or poultry in hauling animal feed for  
22 consumption in this state by the owner's livestock or poultry, a fee of six  
23 hundred fifty dollars (\$650); and

24 (f) Notwithstanding any of the provisions of  
25 this subdivision (a)(3)(H) to the contrary, for a vehicle to be operated  
26 separately or in combination with other vehicles, which vehicle or  
27 combination has a total outside width in excess of one hundred two inches  
28 (102") but not exceeding one hundred eight inches (108") and is utilized or  
29 intended to be utilized to transport compacted seed cotton, the annual  
30 license fee shall be six hundred fifty dollars (\$650). Provided, any full  
31 trailer or semitrailer used in combination with such registered vehicle shall  
32 also be registered in accordance with and pursuant to the applicable fees set  
33 out in subdivision (a)(3)(I) of this section. That portion of the annual  
34 license fee established by this subdivision (a)(3)(H)(ii)(f) which equals  
35 four hundred eighty-seven dollars and fifty cents (\$487.50) is declared to be  
36 a permit fee for the use of the public roads and streets of this state by

1 such vehicles while operated separately or in combination with other vehicles  
 2 due to the unusual design and size of such vehicles or combinations of  
 3 vehicles.

4 (iii)(a) The foregoing vehicles shall not exceed the  
 5 maximum axle load permitted by law.

6 (b) Five-axle vehicles may haul maximum gross  
 7 loaded weights of up to eighty thousand pounds (80,000 lbs.) without the  
 8 purchase of any additional or different type license.

9 (iv) The director shall cause to be issued special  
 10 and distinctive license plates for vehicles in this classification, with  
 11 separate license plates to be established for those vehicles used in the  
 12 noncommercial hauling of farm products produced in this state and for hauling  
 13 feed, seed, fertilizer, poultry litter, and other products commonly produced  
 14 or used in agricultural operations or compacted seed cotton and separate  
 15 license plates to be established for those vehicles hauling timber products,  
 16 clay minerals, or ores.

17 (v) Before any license may be issued for a vehicle  
 18 designated a natural resources vehicle, the applicant shall, by affidavit,  
 19 state that he is familiar with the purposes for which such licenses may be  
 20 used as authorized under this classification and that he will not use such  
 21 vehicle for which application for license is made for any purpose not  
 22 authorized under this classification. The applicant shall indicate on his  
 23 affidavit whether the vehicle is to be used for the hauling of farm products,  
 24 animal feed, compacted seed cotton, forest products, clay minerals, or ores.

25 (vi)(a) Upon submitting an affidavit, any person  
 26 entitled to obtain a natural resources license for a motor vehicle used for  
 27 hauling farm products as authorized under this classification if the vehicle  
 28 is required for only seasonal or occasional use may be issued a natural  
 29 resources license for the vehicle for the first six (6) months of the annual  
 30 licensing period, at a rate equal to one-half (1/2) of the annual fee but in  
 31 no event less than sixty-five dollars (\$65.00) or for the last month of the  
 32 current annual licensing period and the first six (6) months of the  
 33 subsequent annual licensing period at a rate equal to seven-twelfths (7/12)  
 34 of the annual fee but in no event less than seventy-five dollars (\$75.00).

35 (b) The director shall issue special  
 36 distinctive license plates or license plate validation decals for the

1 vehicles, including the indication thereon of the expiration date, so as to  
 2 identify them from annual natural resources plates.

3 (vii) The owner of any motor vehicle who is entitled  
 4 to obtain a natural resources license for such motor vehicle for use in  
 5 hauling farm products as authorized in this subdivision (a)(3)(H) may use  
 6 such motor vehicle for the hauling of baled cotton from the cotton gin to a  
 7 cotton compress without the necessity of the payment of additional license  
 8 fees or the obtaining of additional license plates for such motor vehicle.

9 (viii) The director shall promulgate such rules and  
 10 regulations as may be necessary to carry out the intent of this  
 11 classification and prevent abuse thereof. However, before any such rules or  
 12 regulations shall be effective, they shall be approved by majority action of  
 13 the members of the State Highway Commission acting for and in behalf of the  
 14 Arkansas Highway Police Division of the Arkansas State Highway and  
 15 Transportation Department, which is the agency charged with the principal  
 16 responsibility of enforcing the motor vehicle license laws of this state.

17 (ix) Vehicles licensed under this classification for  
 18 the hauling of farm products only shall be permitted, without payment of  
 19 additional fees, to transport return loads to the farm or domicile of the  
 20 owner of such vehicles where such return load contents are the property of,  
 21 and to be used or consumed by, the owner of the vehicle or his family.

22 (x) If a violation of the natural resources  
 23 classification, as authorized in this subdivision (a)(3)(H) is discovered, a  
 24 license must immediately be purchased for such vehicle in accordance with the  
 25 rate of license that should lawfully be required for such vehicle for so  
 26 moving on the roads and highways of this state. No credit shall be given on  
 27 the purchase price of such license for any amount or amounts paid for license  
 28 hitherto purchased for use on such vehicle. This requirement of license  
 29 purchase shall not be in lieu of any criminal prosecution.

30 (xi) All affidavits required under the provisions of  
 31 this subdivision (a)(3)(H) shall be acknowledged by the director, his  
 32 authorized agent, or some other person authorized by the laws of this state  
 33 to administer oaths; and

34 (I) Class Nine – (i)(a) For the purpose of evidencing  
 35 registration of trailers, semitrailers, and full trailers, there shall be  
 36 issued special license plates and annual registration fees charged and

1 collected according to the following schedule:

2 (1) All trailers drawn by automobiles  
 3 and Class One trucks, and all boat trailers and travel trailers drawn by any  
 4 truck, which truck has a load capacity of one (1) ton or less, a fee of seven  
 5 dollars (\$7.00);

6 (2) All semitrailers used in combination  
 7 with Class Two - Class Eight trucks, with the exception of those for which a  
 8 fee is set out in subdivision (a)(3)(I)(i)(a)(1) of this section, a fee of  
 9 twenty dollars (\$20.00). Provided, however, the owner of any semitrailer  
 10 used in combination with Class Two - Class Eight trucks may, at his or her  
 11 option, pay a fee of sixty-five dollars (\$65.00) for issuance of a permanent  
 12 registration that shall remain valid, without annual renewal, until he or she  
 13 sells or otherwise disposes of the semitrailer for which the registration is  
 14 issued. Permanent registrations issued under this subdivision  
 15 (a)(3)(I)(i)(a)(2) shall not be transferred to other owners or other vehicles  
 16 and shall not be replaced under § 27-14-602(b)(6);

17 (3) Full trailers operated in the  
 18 transportation of farm products and other natural resources described as  
 19 Class Eight, a fee of eight dollars (\$8.00); and

20 (4) For all other full trailers there  
 21 shall be charged an annual license fee computed on the gross loaded weight of  
 22 the vehicle at the appropriate rate provided by Class Two - Class Seven of  
 23 subdivision (a)(3) of this section.

24 (b) For the purpose of evidencing registration  
 25 of trailers registered under subdivision (a)(3)(I)(i)(a)(1), there shall be  
 26 collected a triennial fee based upon the annual fee set forth therein.  
 27 Unless a trailer license issued under this provision is renewed on or before  
 28 the fifteenth day following its expiration, it shall lapse and shall no  
 29 longer be of any force or effect unless renewed in the manner prescribed by  
 30 law.

31 (c) For the purpose of evidencing registration  
 32 of a combination of truck-tractor and semitrailer classified by subdivision  
 33 (a)(3)(I)(i)(a)(2), the license fee for the gross weight of the combination  
 34 shall be computed at the appropriate rate provided by Class Two - Class Eight  
 35 of subdivision (a)(3) of this section and shall be applied to the  
 36 registration of the truck tractor.

1 (ii)(a) "Gross loaded weight" as used in this  
 2 section means the weight of the vehicle or vehicles plus the load to be  
 3 hauled.

4 (b)(1) If any truck, trailer, or semitrailer,  
 5 as provided in this section, is at any time found to be operating on the  
 6 highways of Arkansas with a gross loaded weight in excess of the weight  
 7 permitted by the license registration thereon, the owner or his or her agent  
 8 must then and there, before proceeding, pay an additional license fee on the  
 9 truck, trailer, or semitrailer, or combination, on the basis of one dollar  
 10 and thirty cents (\$1.30) per one hundred pounds (100 lbs.), or fraction  
 11 thereof, for the excess weight. For the purpose of ascertaining excess  
 12 loaded weight on any truck, trailer, semitrailer, or combination thereof, a  
 13 tolerance of one thousand pounds (1,000 lbs.) over and above the permitted  
 14 weight, as indicated by the license registration certificate thereof, shall  
 15 be allowed before the additional license fee required in this subdivision  
 16 (a)(3)(I)(ii)(b)(1) shall be charged.

17 (2) It shall be unlawful for any truck  
 18 to operate on the highways of Arkansas without the license registration card  
 19 being, at all times, in the possession of the operator thereof. This card  
 20 shall, at all times, be subject to inspection.

21 (3) Any truck, trailer, or semitrailer,  
 22 or combination thereof, on which an additional license fee is paid because of  
 23 excess weight, as provided in this subdivision (a)(3)(I)(ii)(b), shall be  
 24 permitted for the remaining portion of the regular license year to operate at  
 25 the newly established weight limit.

26 (4) In no event shall any license be  
 27 issued for a greater weight than that permitted by law governing axle loads;

34 (C) For the registration of motorcycle sidecars, there  
 35 shall be charged and collected an additional registration fee of one dollar  
 36 and ninety-five cents (\$1.95) per annum;

1 (5) Hearses and Ambulances.

2 For the registration of hearses and other funeral cars or

6 (A) A "dealer", for the purposes of this subdivision  
 7 (a)(6), means a person, firm, or corporation engaged in the business of  
 8 buying and selling vehicles subject to registration in this state.

9 (B)(i) As a condition precedent to obtaining dealer's  
 10 license plates, the dealer shall furnish the director a certification that  
 11 the applicant is a vehicle dealer and has a bona fide, established place of  
 12 business used for the sale of vehicles, an office used for that business, a  
 13 telephone listed in the name of the business, and a sign identifying the  
 14 establishment. Certification shall be required for all renewals of dealer  
 15 license plates. This dealer certification shall not apply to dealers  
 16 licensed by the Department of Arkansas State Police, the Arkansas Motor  
 17 Vehicle Commission, or the Arkansas Manufactured Home Commission and who are  
 18 regulated by those authorities. The dealer certification shall consist of  
 19 completion of a self-certification form prepared by the Office of Motor

 32 Home Commission and upon the payment of fifty dollars (\$50.00), the  
 33 manufactured home dealer shall be issued certification from the director for  
 34 the purpose of assigning manufactured home titles.

35 (b) Each location shall be treated as a  
 36 separate entity, and certification by the department shall be required for

1 each location.

2 (C) When a dealer's master license plate or extra license  
 3 plate is attached to any dealer-owned motor vehicle, the motor vehicle may be  
 4 used by the dealer, a manager, a sales manager, or a salesperson employed by  
 5 the dealership to drive to or from work and for personal or business trips  
 6 inside or outside the dealer's county of residence.

7 (D) Any dealer who pleads guilty or nolo contendere to or

 10 two hundred fifty dollars (\$250) for the first offense, not more than five  
 11 hundred dollars (\$500) for the second offense, and not more than one thousand

 15 trucks as defined in § 27-14-1002, truck-tractors, trailers, and

 18 fees provided in this section for those motor vehicles shall be due and  
 19 payable annually as provided therein; and

20 (2)(A) On all trucks except Class One trucks as defined in § 27-  
 21 14-1002, truck-tractors, trailers, and semitrailers, and combinations  
 22 thereof, except trailers drawn by automobiles and Class One trucks, the  
 23 registration shall be valid for twelve (12) months from the month of issuance  
 24 of registration, and all fees provided in this section for those vehicles  
 25 shall be due and payable annually during the twelfth month of the  
 26 registration period.

27 (B) No person shall have the authority to extend the time  
 28 for payment of such fees past the period specified in this subdivision  
 29 (b)(2).

30 (C) The provisions of this subdivision (b)(2) shall not  
 31 apply to trailers drawn by automobiles or by Class One trucks.

32 (D)(i) The director shall, upon request, assign the same  
 33 registration period to any owner of two (2) or more trucks, truck-tractors,  
 34 trailers, and semitrailers, and combinations thereof, except Class One trucks  
 35 as defined in § 27-14-1002.

36 (ii) The director shall, upon request, assign a

1 different month of registration other than the vehicle's current month of  
 2 registration to any owner of a truck, truck-tractor, trailer, and  
 3 semitrailer, and combinations thereof, except Class One trucks as defined in  
 4 § 27-14-1002, and all fees shall be prorated accordingly on a monthly basis.

5 (c) Nature of Fees. Each of the fees authorized in this section is  
 6 declared to be a tax for the privilege of using and operating a vehicle on  
 7 the public roads and highways of the State of Arkansas.

8 (d)(1) All taxes, fees, penalties, interest, and other amounts  
 9 collected under the provisions of this section, with the exception of that  
 10 portion of the fee declared to be a permit fee and collected pursuant to  
 11 subdivision (a)(3)(H)(ii)(f) above, shall be classified as special revenues  
 12 and shall be deposited in the State Treasury. After deducting the amount to  
 13 be credited to the Constitutional Officers Fund and the State Central  
 14 Services Fund as provided under the Revenue Stabilization Law, § 19-5-101 et  
 15 seq., the Treasurer of State shall transfer on the last business day of each  
 16 month:

17 (A) Fifteen percent (15%) of the amount thereof to the  
 18 County Aid Fund;

19 (B) Fifteen percent (15%) of the amount thereof to the  
 20 Municipal Aid Fund; and

21 (C) Seventy percent (70%) of the amount thereof to the  
 22 State Highway and Transportation Department Fund.

23 (2) The funds shall be further disbursed in the same manner and  
 24 used for the same purposes as set out in the Arkansas Highway Revenue  
 25 Distribution Law, § 27-70-201 et seq.

26 (3) That portion of the annual license fee collected pursuant to  
 27 subdivision (a)(3)(H)(ii)(f) of this section declared to be a permit fee  
 28 shall be classified as special revenues and shall be deposited in the State  
 29 Treasury. The Treasurer of State shall transfer on the last business day of  
 30 each month all of such portions of such annual license fees to the State  
 31 Highway and Transportation Department Fund to be utilized for the  
 32 construction, reconstruction, and maintenance of highways and bridges in the  
 33 state highway system.

34 (e) Penalty. (1) Any person owning a vehicle on which a fee is  
 35 required to be paid under the terms of this section who shall operate it or

2 conviction shall be fined in a sum not less than double the fee provided for  
3 and not more than three thousand dollars (\$3,000).

4 (2) If the arresting officer is:

5 (A) An officer of the Department of Arkansas State Police,  
6 the fine shall be deposited in the State Treasury and credited to the  
7 Department of Arkansas State Police Fund, to be used for the purchase and  
8 maintenance of state police vehicles;

9 (B) An officer of the Arkansas Highway Police Division of  
10 the Arkansas State Highway and Transportation Department, the fine shall be  
11 deposited in the State Highway and Transportation Department Fund, to be used  
12 for the purchase and maintenance of highway police vehicles;

13 (C) A county law enforcement officer, the fine shall be  
14 deposited in the county fund used for the purchase and maintenance of rescue,  
15 emergency medical, and law enforcement vehicles, communications equipment,  
16 animals owned or used by law enforcement agencies, lifesaving medical
